Je dois attirer votre attention sur l'article XXI du traité d'où vous observerez que si l'on désire que la colonie que vous administrez tombe sous l'opération du traité, un avis à cet effet doit être donné à Son Altesse le Sultan de Mascate sous deux ans à compter du 20 février 1892, date de l'échange des ratifications.

Donc j'ai à vous prier de bien vouloir m'informer aussi tôt que possible, des désirs de votre gouvernement dans l'affaire.

TRAITÉ D'AMITIÉ, DE COMMERCE ET DE NAVIGATION ENTRE LA GRANDE-BRETAGNE ET MASCATE.

Signé à Mascate, 19 mars 1891.

Ratifications échangées à Mascate, 20 février 1892.

SA Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Impératrice de l'Inde, et Son Altesse le Seyyid Feysal-bin-Turki-bin-Saeed, Sultan de Mascate et Omân, animés du désir de confirmer et resserrer les relations amicales qui subsistent aujourd'hui entre les deux pays, et promouvoir et développer leurs relations commerciales, ont nommé comme leurs plénipotentiaires pour conclure un traité à cette fin, savoir :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Impératrice de l'Inde : le colonel Edward Charles Ross, compagnon de l'Etoile de l'Inde, résident politique de Sa Majesté Britannique dans le Golfe Persique ;

Et Son Altesse le Sultan de Mascate, en personne ;

Lesquels sont convenus des articles suivants :—

ARTICLE I.

Le traité conclu entre le gouvernement britannique et le Sultan Seyyid Saeed-bin, Sultan de Mascate et Omân, le 31e jour de mai 1839 (17 Rabia 1er, 1255), est par le présent cancellé et déclaré nul, et le traité actuel une fois ratifié, lui sera substitué.

ARTICLE II.

Les sujets de Sa Majesté britannique comprendront, pour les fins du présent traité, les sujets des Etats indigènes dans l'Inde alliés à Sa Majesté. Ces sujets jouiront, immédiatement et sans conditions, par toutes les possessions de Son Altesse le Sultan de Mascate, au sujet du commerce, de la navigation et du trafic, comme sous tous autres rapports, de tous les droits, privilèges, immunités, avantages, et protection d'une nature quelconque, dont jouissent ou pourront à l'avenir jouir les sujets ou citoyens de la nation la plus favorisée.

Et surtout ils ne seront pas assujétis à d'autres droits, impôts, restrictions ou obligations d'une nature quelconque, plus onéreux que ceux auxquels sont aujourd'hui soumis ou seront à l'avenir soumis les sujets ou citoyens de la nation la plus favorisée.

ARTICLE III.

Les deux hautes parties contractantes se reconnaissent réciproquement le droit de nommer des consuls qui résideront dans les possessions de l'une ou de l'autre partout où les intérêts du commerce nécessiteront la présence de tels officiers ; et ces consuls seront en tout temps placés, dans le pays où ils résident, sur le même pied que les consuls des nations les plus favorisées. Chacune des hautes parties contractantes conviennent de plus de laisser nommer ses propres sujets à des charges consulaires par l'autre partie contractante, pourvu toujours que les personnes ainsi nommées ne commenceront leurs fonctions qu'avec l'approbation du souverain dont elles sont les sujets. Les fonctionnaires publics de chaque gouvernement résidant dans les possessions de l'autre, jouiront des mêmes privilèges, immunités et exemptions dont jouissent dans ces mêmes possessions de semblables fonctionnaires publics d'autres pays.

ARTICLE IV.

Il y aura parfaite liberté de commerce et de navigation entre les hautes parties contractantes ; chacune permettra aux sujets de l'autre d'entrer dans tous les ports, criques et rivières avec leurs vaisseaux et cargaisons, aussi de voyager, résider, commercer et trafiquer en gros et en détail dans les possessions de l'une ou de l'autre, et d'y louer, acheter et posséder des maisons, entrepôts, boutiques, magasins et terrains. Les sujets britanniques seront libres partout, soit en personne ou par agent, de marchander, acheter, troquer et vendre toutes sortes de marchandises, articles d'importation, ou produits indigènes, soit dans l'intention de les vendre dans les possessions de Son Altesse ou de les exporter, et de convenir avec le propriétaire ou son agent du prix de toutes ses marchandises et produits sans aucune intervention que ce soit de la part des autorités de Son Altesse.

Son Altesse le Sultan de Mascate s'oblige de ne pas permettre ou reconnaître à aucun gouvernement, association ou individu, l'établissement d'aucune sorte de monopole ou le privilège exclusif de commerce dans ses domaines.

ARTICLE V.

Il sera permis aux sujets de Sa Majesté britannique par tous les domaines de Son Altesse le Sultan, d'acquérir par don, achat, succession intestate, ou par testament, ou de toute autre manière légale, des terrains, maisons, et propriété de toute espèce, soit meuble ou immeuble, de les posséder et d'en disposer librement par vente, don ou autrement.

ARTICLE VI.

Il sera permis à Son Altesse le Sultan de prélever un droit d'entrée n'excédant pas 5 pour cent sur la valeur de tous effets et marchandises, d'une nature quelconque, importés par voie de mer de pays étrangers dans les domaines de Son Altesse. Ce droit sera payé au port dans les domaines de Son Altesse où les effets sont d'abord débarqués, et sur paiement de ce droit, ces effets seront dès lors exemptés, dans les domaines de Son Altesse, de tous autres impôts douaniers ou taxes, prélevés par ou au nom du gouvernement de Son Altesse le Sultan, sous quelque designation que ce soit, et il ne sera pas exigé des sujets britanniques de droit d'importation plus élevé que celui payé par les sujets ou citoyens de la nation la plus favorisée.

Ce droit, une fois payé, exemptera de toutes autres charges de la part de Son Altesse le Sultan, les effets de toute nature venant de pays étrangers par voie de mer, que ces effets soient destinés à la consommation locale ou à être transportés ailleurs en vrac ou autrement, et soit qu'ils restent dans la condition où ils étaient lors de leur importation, soit qu'ils aient été manufacturés

Toutefois, les articles ci-dessous énumérés seront exemptés du paiement de tout droit :—

1. Les effets et marchandises qui étant destinés à un port étranger, sont transbordés d'un vaisseau à un autre dans aucun des ports de Son Altesse le Sultan de Mascate, ou qui ont été dans ce but débarqués provisoirement et déposés dans une des douanes du Sultan pour attendre l'arrivée d'un vaisseau dans lequel il seront rembarqués. Mais les effets et marchandises ainsi débarqués seront exemptés seulement à la condition que le consignataire ou son agent ait, à l'arrivée du navire délivré les dits effets pour être gardés sous le scel des douanes, et ait déclaré les avoir débarqués dans l'intention de les transborder, désignant en même

temps le port de destination étranger, et à la condition aussi que les dits effets soient réellement embarqués pour le dit port étranger tel qu'originairement déclaré, sous un délai n'excédant pas six mois après leur premier débarquement, et sans avoir dans l'intervalle, changé de propriétaires.

2. Tous effets et marchandises qui, n'étant pas consignés à un port dans les domaines du Sultan, ont été par inadvertance débarqués, pourvu que ses effets soient rembarqués sous un mois après avoir été ainsi débarqués, et transportés à l'étranger. Toutefois, si ces effets ou marchandises, dont il est question ici, sont ouverts ou enlevés de la garde des autorités douanières, le plein droit sera alors exigible.

3. La houille, les provisions, approvisionnements et agrès de navire, appartenant au gouvernement de Sa Majesté, débarqués dans les domaines de Son Altesse pour l'usage des navires de la marine de Sa Majesté.

4. Tous les effets et marchandises transbordés ou débarqués pour réparation d'avaries causées par le mauvais temps ou autre désastre en mer, pourvu que la cargaison ainsi déchargée soit rembarquée et emportée à bord du même vaisseau, ou, si ce dernier a été condamné ou retardé, de toute autre manière.

ARTICLE VII.

Il ne sera fait défense d'importer un article quelconque dans les territoires de Son Altesse le Sultan de Mascate, ou de l'exporter de ces territoires et nuls droits d'exportation ne seront prélevés sur les effets exportés de ces territoires, sauf avec le consentement du gouvernement de Sa Majesté britannique, ce consentement était sujet aux conditions posées dans les notifications à ce sujet.

ARTICLE VIII.

Il est convenu et entendu par les hautes parties contractantes que dans le cas où un arrangement serait conclu entre Son Altesse et les puissances qui ont des traités de commerce avec Mascate, et auquel la Grande-Bretagne sera partie contractante, par lequel les vaisseaux entrant dans le port de Mascate seront soumis à des droits de navire, de tonnage ou de havre, ces droits seront administrés sous le contrôle d'une commission spéciale pour l'amélioration du havre et la construction et entretien des phares, etc., rien dans les dispositions qui précèdent ne sera censé exempter les vaisseaux britanniques du paiement de ces droits de navire, de tonnage ou de havre, selon qu'il pourra être convenu plus tard.

ARTICLE IX.

Il sera facultatif pour un sujet britannique dans chaque cas de payer les droits proportionnels stipulés dans l'article VI, soit en monnaie, ou, si la nature des effets le permet, en nature, en donnant un montant équivalent des effets ou produits.

Dans le cas où le paiement serait fait en monnaie la valeur des marchandises, effets ou produits sur lesquels le droit doit être prélevé, sera fixée d'après le prix du marché au comptant en vigueur lorsque le droit est prélevé. Dans le cas d'importations étrangères, la valeur sera fixée selon le prix du marché à Mascate, et dans le cas d'effets et produits indigènes selon le prix du marché à l'endroit que le marchand choisira pour payer le droit.

S'il s'élevait quelque différend entre un sujet britannique et les autorités douanières concernant la valeur de ces effets, ce différend sera renvoyé à deux experts, chaque partie en nomment un, et la valeur ainsi déterminée sera décisive. Toutefois, si ces experts ne peuvent s'entendre, ils choisiront un tiers arbitre, dont la décision sera finale.

ARTICLE X.

Son Altesse le Sultan de Mascate s'engage par le présent traité à veiller et à donner ordre à ses fonctionnaires dans ce sens, à ce que le mouvement des effets en transit ne soit pas obstrué ou retardé d'une manière vexatoire par des formalités et des règlements douaniers inutiles, et que toute facilité soit donnée pour leur transport.

ARTICLE XI.

Les vaisseaux britanniques entrant dans un port des domaines de Son Altesse le Sultan de Mascate, en détresse, recevront des autorités locales toute l'aide nécessaire pour leur permettre de se ravitailler et radouber de façon à pouvoir continuer leur route.

Si un vaisseau britannique faisait naufrage sur les côtes des domaines de Son Altesse, les autorités de Son Altesse rendront toute l'aide en leur pouvoir au navire en détresse, afin de sauver le navire, sa cargaison et les personnes à bord ; elles donneront aussi aide et protection aux personnes sauvées, et les aideront à atteindre le consulat britannique le plus proche ; de plus elles prendront tout le soin possible que les effets ainsi recouvrés soient sûrement emmagasinés, et gardés dans le but d'être délivrés au propriétaire, capitaine, agent du navire, ou consul britannique, sujet toujours aux droits de sauvetage.

Les autorités de Son Altesse verront de plus à ce que le consulat britannique soit de suite informé du sinistre.

Si un vaisseau britannique, naufragé sur les côtes des domaines de Son Altesse, est pillé, les autorités de Son Altesse devront aussitôt qu'elles en seront informées, prêter prompte aide, et prendre des mesures pour poursuivre et recouvrer les effets dérobés. De même, si un vaisseau de Son Altesse le Sultan de Mascate, ou d'un de ses sujets, entre dans un port britannique en détresse, ou fait naufrage sur les côtes des domaines de Sa Majesté, le même secours et aide sera rendu par les autorités britanniques.

ARTICLE XII.

Si des matelots ou autres appartenant à un navire de guerre ou navire marchand britannique, déserte et se refuge à terre ou à bord d'un des navires de Son Altesse, les autorités de Son Altesse le Sultan de Mascate devront, sur la demande d'un officier consulaire, ou, en son absence, du capitaine du navire, prendre les mesures nécessaires afin de les appréhender et livrer à l'officier consulaire ou au capitaine.

L'officier consulaire et le capitaine devront toutefois prêter main-forte dans cette affaire.

ARTICLE XIII.

Les sujets de Sa Majesté britannique, quant à leurs personnes et biens dans les domaines de Son Altesse le Sultan de Mascate, jouiront du droit d'exterritorialité.

Les autorités de Son Altesse le Sultan n'ont pas droit d'intervenir dans les disputes entre sujets de Sa Majesté britannique, ou entre ces derniers et des membres d'autres nations chrétiennes ; ces questions, quelles soient de nature civile ou criminelle, seront décidées par les autorités consulaires compétentes.

Le procès et aussi la punition de toutes infractions et crimes dont les sujets britanniques pourront être accusés dans les domaines de Son Altesse le Sultan, aussi l'audition et le règlement de toutes questions, ou réclamations ou disputes au civil dans lesquelles ils sont défendeurs, est expressément réservée aux autorités consulaires et tribunaux britanniques, et soustraite à la juridiction de Son Altesse le Sultan.

Dans le cas de différends entre des sujets de Son Altesse le Sultan ou autre puissance non chrétienne qui n'est pas représentée par consuls à Mascate, et un sujet de Sa Majesté britannique, dans lequel un sujet britannique est demandeur ou plaignant, l'affaire sera portée devant la plus haute autorité du Sultan, ou quelque personne spécialement déléguée par lui à cet effet, et décidée par elle. Les procédures et décision finale dans un tel cas ne seront pas, toutefois, considérées légales à moins qu'avis n'ait été donné et une occasion fournie au consul britannique ou son substitut d'être présent à l'audition finale.

ARTICLE XIV.

Les sujets de Son Altesse le Sultan, ou de toute nation non chrétienne, non représentés par consuls à Mascate, qui sont au service régulier de sujets britanniques dans les domaines de Son Altesse le Sultan de Mascate, jouiront de la même protection que les sujets britanniques mêmes.

S'ils sont accusés d'avoir commis un crime ou une infraction grave punissable par la loi, ils seront, sur preuve satisfaisante qui justifierait de plus amples poursuites, livrés par les patrons britanniques, ou par ordre du consul britannique, aux autorités de Son Altesse le Sultan pour sentence et punitions.

ARTICLE XV.

Si un sujet de Sa Majesté résidant dans les domaines de Son Altesse le Sultan de Mascate est déclaré insolvable, le consul britannique prendra possession, recouvrera et réalisera tous les biens et actif disponibles de cet insolvable, qui seront traités et distribués suivant les dispositions de la loi de banqueroute anglaise.

ARTICLE XVI.

Si un sujet de Son Altesse le Sultan de Mascate résiste ou élude le paiement des justes et légitimes réclamations d'un sujet britannique, les autorités de Son Altesse le Sultan prêteront au créancier britannique toute aide et facilité pour recouvrer le montant qui lui est dû. De même le consul britannique donnera toute aide et facilité aux sujets de Son Altesse le Sultan de Mascate dans le recouvrement de dettes légitimement dues à eux par un sujet britannique.

ARTICLE XVII.

Si un sujet britannique décède dans les domaines de Son Altesse le Sultan de Mascate, ou décédant ailleurs y laisse des biens, meubles ou immeubles, le consul britannique sera autorisé à collecter, réaliser et prendre possession des biens du défunt, pour en disposer suivant les dispositions de la loi anglaise.

ARTICLE XVIII.

Les fonctionnaires de Son Altesse ne pourront, sous aucun prétexte, pénétrer ni faire de perquisitions dans les maisons, habitations entrepôts et autres locaux de sujets britanniques, ou de personnes virtuellement en service régulier dans les domaines de Son Altesse le Sultan de Mascate, sans le consentement de l'occupant, à moins que ce ne soit à la connaissance et avec l'aide du consul britannique, ou de son substitut.

ARTICLE XIX.

Il est par le présent convenu entre les hautes parties contractantes que, dans le cas où il serait plus tard conclu une convention entre Son Altesse le Sultan de Mascate et les diverses puissances avec lesquelles Son Altesse aurait passé des traités, y compris la Grande-Bretagne qui doit y être partie contractante, en vertu de laquelle les résidants d'un district ou ville seraient, sans distinction de nationalité, assujétis au paiement de taxes locales, pour des fins municipales et hygiéniques, ces taxes seront fixées et administrées sous le contrôle d'une commission spéciale; rien de contenu au présent traité ne sera censé exempter les résidants britanniques du paiement de ces taxes.

ARTICLE XX.

Les sujets des deux hautes parties contractantes jouiront, dans les domaines de l'une et de l'autre, de la liberté de conscience et de la tolérance religieuse, de l'exercice libre et public de toutes formes de religion, et du droit de bâtir des édifices pour le culte religieux.

ARTICLE XXI.

Les stipulations du susdit traité seront applicables à toutes les colonies et possessions étrangères de Sa Majesté britannique, en tant que la loi le permettra, à l'exception de celles ci-dessous mentionnées, savoir :

La Puissance du Canada,
Terreneuve,
Le Cap de Bonne Espérance,
Natal,
La Nouvelle-Galles du Sud,
Victoria,
Queensland,
La Tasmanie,
L'Australie Méridionale,
L'Australie Occidentale,
La Nouvelle-Zélande.

Pourvu toujours que les stipulations du présent traité seront rendues applicables à aucune des susdites colonies ou possessions étrangères au nom de laquelle avis à cet effet aura été donné par le représentant de Sa Majesté Britannique à Mascate, à Son Altesse le Sultan, dans le cours de deux ans à dater de l'échange des ratifications du présent traité.

ARTICLE XXII.

Le présent traité a été exécuté en quadruple copie, deux copies étant en anglais et deux en arabique. Ces copies sont censées avoir le même sens et la même signification; dans le cas, toutefois, où il s'élèverait un doute quant à la véritable interprétation du texte anglais ou arabique de l'une quelconque des stipulations du traité, le texte anglais sera considéré décisif. Le traité deviendra exécutoire sous un mois après la date des ratifications.

ARTICLE XXIII.

Après la date de douze ans à compter de la date où le traité entrera en vigueur, et sur douze mois d'avis donné par l'une et l'autre partie, le présent traité sera sujet à revision par des plénipotentiaires nommés à cette fin par les deux parties, lesquels seront revêtus du pouvoir de décider et adopter tels amendements que l'expérience leur démontrera désirables.

En foi de quoi le Colonel Edward Charles Ross, C.S.I., au nom de Sa Majesté la Reine de la Grande-Bretagne et d'Irlande, et Impératrice de l'Inde, et Son Altesse Seyyid Feysal-bin-Turki, Sultan de Mascate, en son propre nom, l'ont signé et y ont apposé leurs sceaux.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 13e jour de février 1893.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL plaît à Son Excellence, après avoir pris en considération le tarif des péages sur les canaux du Canada, d'ordonner, en vertu des pouvoirs qui lui sont conférés par le chapitre 37 des Statuts Revisés, intitulé "Acte concernant le département des Chemins de fer et Canaux," et par et de l'avis du Conseil Privé de la Reine pour le Canada, que les modifications suivantes soient, et elles sont par le présent apportées au tarif des péages en vigueur sur les dits canaux, savoir :—

Pour la saison de 1893, le tarif de péages sur les canaux pour le passage des produits alimentaires suivants : blé, maïs, pois, orge, seigle, avoine, graine de lin et sarrasin, descendant vers l'est dans le canal Welland, sera de dix centins par tonneau ; et pour descendre vers l'est dans les canaux du Saint-Laurent seulement, dix centins par tonneau ; le paiement du dit taux de dix centins par tonne pour passage dans le canal Welland permettra à ces produits de passer gratuitement dans les canaux du Saint-Laurent.

JOHN J. McGEE,
34–4 Greffier du Conseil privé.

Rapport d'un comité de l'honorable Conseil privé, approuvé par Son Excellence le Gouverneur général en conseil, le 6 de janvier 1893.

VU un rapport daté le 31 de décembre 1892, du ministre de l'Intérieur, soumettant ce qui suit au sujet des ventes projetées de terres des écoles,—

Après un sérieux examen de la question longtemps débattue de l'occupation et cultivation illégales de terres des écoles dans le Manitoba, il a été décidé que, sauf dans certains cas spéciaux que le ministre de l'Intérieur propose de soumettre à la considération spéciale de Votre Excellence en conseil, le seul moyen de protéger les intérêts du Fonds des Ecoles, et en même temps empêcher tout préjudice apparent à ceux des *squatters* qui de bonne foi et en ignorance de la loi se sont établis sur ces terres, serait d'offrir à l'enchère publique, à une date rapprochée, tous ces quarts de sections de terres des écoles qui, à la connaissance du ministère de l'Intérieur, sont illégalement occupées, donnant ainsi aux *squatters* une occasion d'acquérir la terre, et après la vente, d'intenter des poursuites contre tous ceux qui auront manqué de se prévaloir de cette chance d'acquérir la terre, et persistent quand même dans leur occupation et cultivation illégales.

Il a aussi été proposé de prendre avantage de cette vente pour offrir en même temps celles des terres des écoles pour lesquelles des demandes ont été faites et qui ont été inspectées, pourvu que nulles terres soient offertes à moins de $5 l'acre.

Le ministre remarque qu'avant de prendre des mesures dans la matière, le commissaire des terres fédérales, en conformité d'instructions venues de lui (le ministre), consulta M. Greenway, le premier ministre de la province, sur les vues de son gouvernement au sujet de la vente projetée, et est informé que M. Greenvay reconnaissait l'avantage d'offrir en vente les terres occupées par des squatters, mais avait des doutes quant à l'à-propos d'inclure cette saison, dans telle vente, aucune des autres terres des écoles, à moins qu'elles ne fussent déjà demandées. En conséquence, on ne se propose d'offrir, en sus des terres illégalement occupées ou cultivées, que les terres pour lesquelles des demandes spéciales ont été reçues. Nul danger qu'aucune de ses terres soient vendues à sacrifice, vu qu'on a pris soin de mettre un prix d'enchère sur chaque lopin égal à la pleine valeur de la terre telle que fixée et déterminée après inspection de chaque lopin par un employé dûment qualifié du ministère de l'Intérieur, et une évaluation faite subséquemment par un évaluateur compétent.

En conséquence le ministre recommande qu'il soit autorisé à offrir en vente, à l'enchère publique, les terres des écoles comprises dans les listes qu'il a fait préparer en conformité des faits précités, et à un prix de départ placé vis-à-vis chaque lopin dans les dites listes, ce prix n'étant jamais moins que $5 l'acre, les ventes devant être tenues aux endroits et aux dates mentionnés dans ces listes, savoir :—

A Morden,	25 janvier 1893.
A Pilot Mound,	27 janvier 1893.
A Deloraine,	30 janvier 1893.
A Glenboro'	2 février 1893.
A Minnedosa,	8 février 1893.
A Portage la Prairie,	11 février 1893.
A Brandon,	14 février 1893.
A Winnipeg,	16 février 1893.

Le ministre recommande de plus que les dispositions contenues dans l'arrêté en conseil du 12 de décembre 1891, au sujet de la réserve de minéraux dans les terres des écoles offertes en vente en janvier et février 1892, soient aussi rendues applicables aux terres qu'il est maintenant proposé d'offrir en vente, savoir, que nonobstant les dispositions de la clause 8 des règlements pour la vente de terres fédérales autorisée par arrêté en conseil du 17 de septembre 1889, les terres des écoles à offrir aux ventes projetées de janvier et février prochains, ne soient pas assujéties à une réserve en faveur de la couronne des mines et minéraux qu'elles contiennent, sauf dans les cas où le directeur de la Commission de Géologie aurait fait rapport que ces terres contiennent problablement des minéraux et sont d'une valeur économique, dont note a été prise dans les listes.

Le comité soumet cette recommandation à l'approbation de Votre Excellence.

JOHN J. McGEE,
32–4 Greffier du Conseil privé.

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. TREATY OF FRIENDSHIP, COMMERCE AND NAVIGATION BETWEEN GREAT BRITAIN AND MUSKAT.

Signed at Muskat, March 19, 1891.

Ratifications exchanged at Muskat, February 20, 1892.

HER Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, and His Highness the Seyyid Feysal-bin-Turki-bin-Saeed, Sultan of Muskat and Oman, being desirous to confirm and strengthen the friendly relations which now subsist between the two countries, and to promote and extend their commercial relations, have named as their Plenipotentiaries to conclude a Treaty for this purpose, that is to say :—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Empress of India, Colonel Edward Charles Ross, Companion of the Star of India, Her Britannic Majesty's Political Resident in the Persian Gulf;

And His Highness the Sultan of Muskat, in person ;

Who have agreed upon and concluded the following Articles :—

ARTICLE I.

The Treaty concluded between the British Government and Sultan Seyyid Saeed-bin-Sultan of Muskat and Oman, on the 31st May, 1839 (17 Rabia 1st, 1255), is hereby cancelled and declared void, and the present Treaty, when ratified, shall be substituted for it.

ARTICLE II.

Subjects of Her Britannic Majesty shall, for the purposes of this Treaty, include subjects of native States in India in alliance with Her Majesty. Such subjects shall enjoy, immediately and unconditionally, throughout the dominions of His Highness the Sultan of Muskat, with respect to commerce, shipping, and the exercise of trade, as in every other respect, all the rights, privileges, immunities, advantages, and protection of whatsoever nature, which are, or hereafter may be, enjoyed by, or accorded to, the subjects or citizens of the most favoured nation.

They shall more especially not be liable to other or more onerous duties, imposts, restrictions, or obligations of whatever description, than those to which subjects or citizens of the most favoured nation now are, or hereafter may be, subjected.

ARTICLE III.

The two High Contracting Parties acknowledge reciprocally to each other the right of appointing Consuls to reside in each other's dominions wherever the interests of commerce may require the presence of such officers; and such Consuls shall at all times be placed, in the country in which they reside, on the footing of the Consuls of the most favoured nations. Each of the High Contracting Parties further agree to permit his own subjects to be appointed to Consular offices by the other Contracting Party, provided always that the persons so appointed shall not begin to act without the previous approbation of the Sovereign whose subjects they may be. The public functionaries of either Government residing in the dominions of the other, shall enjoy the same privileges, immunities, and exemptions which are enjoyed within the same dominions by similar public functionaries of other countries.

ARTICLE IV.

There shall be perfect freedom of commerce and navigation between the High Contracting Parties; each shall allow the subjects of the other to enter all ports, creeks, and rivers with their vessels and cargoes, also to travel, reside, pursue commerce and trade, whether wholesale or retail, in each other's dominions, and therein to hire, purchase, and possess houses, warehouses, shops, stores, and lands. British subjects shall everywhere be freely permitted, whether personally or by agent, to bargain for, buy, barter, and sell all kinds of goods, articles of import, or native production, whether intended for sale within the dominions of His Highness or for export, and to arrange with the owner or his agent regarding the price of all such goods and produce without interference of any sort on the part of the authorities of His Highness.

His Highness the Sultan of Muskat binds himself not to allow or recognize the establishment of any kind of monopoly or exclusive privilege of trade within his dominions to any Government, association, or individual.

ARTICLE V.

Subjects of Her Britannic Majesty shall be permitted, throughout the dominions of His Highness the Sultan, to acquire by gift, purchase, intestate succession, or under will, or any other legal manner, land, houses, and property of every description, whether movable or immovable, to possess the same; and freely to dispose thereof by sale, donation, or otherwise.

ARTICLE VI.

His Highness the Sultan shall be permitted to levy a duty of entry not exceeding 5 percent on the value of all goods and merchandise, of whatever description, imported by sea from foreign countries into His Highness' dominions. This duty shall be paid at that port in His Highness' dominions where the goods are first landed, and, on payment thereof, such goods shall thereafter be exempt, within the Sultan's dominions, from all other customs duties or taxes, levied by, or on behalf of the Government of His Highness the Sultan, by whatever names these may be designated, and no higher import duty shall be claimed from British subjects than that which is paid by subjects or citizens of the most favoured nation.

This duty, once paid, shall cover, from all other charges on the part of His Highness the Sultan, goods of whatever description coming from foreign countries by sea, whether these are intended for local consumption or for transmission elsewhere in bulk or otherwise, and whether they remain in the state in which they are imported or have been manufactured.

There shall, however, be exempted from payment of all duty the following, namely :—

1. All goods and merchandise which, being destined for a foreign port, are transhipped from one vessel to another in any of the ports of His Highness the Sultan of Muskat, or which have been for this purpose provisionally landed and deposited in any of the Sultan's custom-houses to await the arrival of a vessel in which to be reshipped aboard. But goods and merchandise so landed shall be exempted only, provided that the consignee or his agent shall have, on the arrival of the ship, handed over the said goods to be kept under Customs seal, and declared them as landed for transhipment, designating at the same time the foreign port of destination, and also provided that the said goods are actually shipped for the said foreign port as originally declared, within a period not exceeding six months after their first landing, and without having, in the interval, changed owners.

2. All goods and merchandise which, not being consigned to a port within the dominions of the Sultan, have been inadvertently landed, provided that such goods are reshipped within a month of being so landed and transported abroad. Should, however, such goods or merchandise, here spoken of, be opened or removed from the custody of the Customs authorities, the full duty shall then be payable on the same.

3. Coals, naval provisions, stores, and fittings, the property of Her Majesty's Government, landed in the dominions of His Highness for the use of the ships of Her Majesty's navy.

4. All goods and merchandise transhipped or landed for the repair of damage caused by stress of weather or other disaster at sea, provided the cargo so discharged shall be reshipped and taken away on board of the same vessel, or if the latter shall have been condemned, or her departure delayed, in any other manner.

ARTICLE VII.

No article whatever shall be prohibited from being imported into or exported from the territories of His Highness the Sultan of Muskat, and no export duties are to be levied on goods exported from those territories except with the consent of the Government of Her Britannic Majesty, such consent being subject to the conditions that may be laid down in the notifications intimating the same.

ARTICLE VIII.

It is agreed and understood by the High Contracting Parties that, in the event of an arrangement being entered into hereafter between His Highness and the Powers having Treaty relations with Muskat, and to which Great Britain shall be a consenting party, whereby vessels entering the port of Muskat shall be charged with shipping, tonnage, or harbour dues, such dues to be administered under the control of a special Board for the improvement of the harbour and construction and maintenance of lighthouses, &c.; nothing in the aforementioned provisions shall be construed so as to exempt British vessels from payment of such shipping, harbour or tonnage dues as may hereafter be agreed upon.

ARTICLE IX.

It shall be at the option of the British subject in each case to pay the percentage duties stipulated in Article VI, either in cash, or, if the nature of the goods allows of it, in kind, by giving up an equivalent amount of the goods or produce.

In the event of payment being made in cash, the value of the merchandise, goods, or produce on which duty is to be levied, shall be fixed according to the ready-money market price ruling at the time when the duty is levied. In the case of foreign imports, the value shall be fixed according to the market price at Muskat, and in that of native goods and produce by the market price at the place where the merchant shall choose to pay the duty.

In the event of any dispute arising between a British subject and the Custom-house authorities regarding the value of such goods, this shall be determined by reference to two experts, each party nominating one, and the value so ascertained shall be decisive. Should, however, these experts not be able to agree, they shall choose an umpire, whose decision is to be considered final.

ARTICLE X.

His Highness the Sultan of Muskat engages by the present Treaty to provide and give orders to his officials that the movement of goods in transit shall not be obstructed or delayed in a vexatious manner by unnecessary Custom formalities and Regulations, and that every facility will be given for their transport.

ARTICLE XI.

British vessels entering a port in the dominions of His Highness the Sultan of Muskat, in distress, shall receive from the local authorities all necessary aid to enable them to revictual and refit so as to proceed on their voyage, Should a British vessel be wrecked off the coast of His Highness' dominions the authorities of His Highness shall render all assistance in their power to the distressed vessel, in order to save the ship, her cargo, and those on board; they shall also give aid and protection to persons saved, and shall assist them in reaching the nearest British Consulate; they shall further take every possible care that the goods so recovered are safely stored, and kept for the purpose of being handed over to the owner, captain, agent of the ship, or British Consul, subject always to rights of salvage.

His Highness' authorities shall further see that the British Consulate is at once informed of such disaster having occurred.

Should a British vessel wrecked on the coast of His Highness' dominions, be plundered, the authorities of His Highness shall, as soon as they come to know thereof, render prompt assistance and take measures to pursue and punish the robbers, and recover the stolen property. Likewise, should a vessel of His Highness the Sultan of Muskat, or of one of his subjects, enter a British port in distress, or be wrecked off the coast of Her Majesty's dominions, the like help and assistance shall be rendered by the British authorities.

ARTICLE XII.

Should sailors or others belonging to a British ship of war or merchant-vessel, desert and take refuge on shore or on board of any of His Highness' ships, the authorities of His Highness the Sultan of Muskat shall, upon request of a Consular official, or, in his absence, of the captain of the ship, take the necessary steps in order to have them arrested and delivered over to the Consular official or to the captain.

In this, however, the Consular officer and captain shall render every assistance.

ARTICLE XIII.

Subjects of Her Britannic Majesty shall, as regards their person and property, enjoy within the dominions of His Highness the Sultan of Muskat the rights of exterritoriality.

The authorities of His Highness the Sultan have no right to interfere in disputes with subjects of Her Britannic Majesty amongst themselves, or between them and members of other Christian nations; such questions, whether of a civil or criminal nature, shall be decided by the competent Consular authorities. The trial and also the punishment of all offences and crimes of which British subjects may be accused within the dominions of His Highness the Sultan, also the hearing and settlement of all civil questions, claims, or disputes in which they are the defendants, is expressly reserved to the British Consular authorities and Courts, and removed from the jurisdiction of His Highness the Sultan.

Should disputes arise between subjects of His Highness the Sultan or other non-Christian Power, not represented by Consuls at Muskat, and a subject of Her Britannic Majesty, in which the British subject is the plaintiff or complainant, the matter shall be brought before and decided by the highest authority of the Sultan, or some person specially delegated by him for this purpose. The proceedings and final decision in such a case shall not, however, be considered legal unless notice has been given and an opportunity afforded for the British Consul or his substitute to attend at the hearing and final decision.

ARTICLE XIV.

Subjects of His Highness the Sultan, or any non-Christian nation, not represented by Consuls at Muskat, who are in the regular service of British subjects within the dominions of His Highness the Sultan of Muskat, shall enjoy the same protection as British subjects themselves.

Should they be charged with having committed a crime or serious offence punishable by law, they shall, on sufficient evidence being shown to justify further proceedings, be handed over by British employers, or by order of the British Consul, to the authorities of His Highness the Sultan for trial and punishment.

ARTICLE XV.

Should a subject of Her Majesty residing in the dominions of His Highness the Sultan of Muskat be adjudicated bankrupt, the British Consul shall take possession of, recover, and realize all available property and assets of such bankrupt, to be dealt with and distributed according to the provisions of English Bankruptcy Law.

ARTICLE XVI.

Should a subject of His Highness the Sultan of Muskat resist or evade payment of the just and rightful claims of a British subject, the authorities of His Highness the Sultan shall afford to the British creditor every aid and facility in recovering the amount due to him. In like manner the British Consul shall afford every aid and facility to subjects of His Highness the Sultan of Muskat, in recovering debts justly due to them from a British subject.

ARTICLE XVII.

Should a British subject die within the dominions of His Highness the Sultan of Muskat, or dying elsewhere leave property therein, movable or immovable, the British Consul shall be authorized to collect, realize, and take possession of the estate of the deceased, to be disposed of according to the provisions of English law.

ARTICLE XVIII.

The houses, dwellings, warehouses, and other premises of British subjects, or of persons actually in their regular service within the dominions of His Highness the Sultan of Muskat, shall not be entered, or searched under any pretext, by the officials of His Highness without the consent of the occupier, unless with the cognizance and assistance of the British Consul or his substitute.

ARTICLE XIX.

It is hereby agreed between the two High Contracting Parties that, in the event of an agreement being hereafter arrived at between His Highness the Sultan of Muskat and the various Powers with which His Highness shall be in Treaty relations, including Great Britain, which must be a consenting party, whereby the residents of a district or town shall, without distinction of nationality, be made subject to the payment of local taxes, for municipal and sanitary purposes, the same to be fixed and administered by or under the control of a special Board, nothing contained in this Treaty shall be understood so as to exempt British residents from the payment of such taxes.

ARTICLE XX.

Subjects of the two High Contracting Parties, shall, within the dominions of each other, enjoy freedom of conscience and religious toleration, the free and public exercise of all forms of religion, and the right to build edifices for religious worship.

Je dois attirer votre attention sur l'article XXI du traité d'où vous observerez que si l'on désire que la colonie que vous administrez tombe sous l'opération du traité, un avis à cet effet doit être donné à Son Altesse le Sultan de Mascate sous deux ans à compter du 20 février 1892, date de l'échange des ratifications.

Donc j'ai à vous prier de bien vouloir m'informer aussi tôt que possible, des désirs de votre gouvernement dans l'affaire.

J'ai l'honneur d'être,

TRAITÉ D'AMITIÉ, DE COMMERCE ET DE NAVIGATION ENTRE LA GRANDE-BRETAGNE ET MASCATE.

Signé à Mascate, 19 mars 1891.

Ratifications échangées à Mascate, 20 février 1892.

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Impératrice de l'Inde, et Son Altesse le Seyyid Feysal-bin-Turki-bin-Saeed, Sultan de Mascate et Omân, animés du désir de confirmer et resserrer les relations amicales qui subsistent aujourd'hui entre les deux pays, et promouvoir et développer leurs relations commerciales, ont nommé comme leurs plénipotentiaires pour conclure un traité à cette fin, savoir :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Impératrice de l'Inde : le colonel Edward Charles Ross, compagnon de l'Etoile de l'Inde, résident politique de Sa Majesté Britannique dans le Golfe Persique ;

Et Son Altesse le Sultan de Mascate, en personne ;

Lesquels sont convenus des articles suivants :—

ARTICLE I.

Le traité conclu entre le gouvernement britannique et le Sultan Seyyid Saeed-bin, Sultan de Mascate et Omân, le 31e jour de mai 1839 (17 Rabia 1er, 1255), est par le présent cancellé et déclaré nul, et le traité actuel une fois ratifié, lui sera substitué.

ARTICLE II.

Les sujets de Sa Majesté britannique comprendront, pour les fins du présent traité, les sujets des Etats indigènes dans l'Inde alliés à Sa Majesté. Ces sujets jouiront, immédiatement et sans conditions, par toutes les possessions de Son Altesse le Sultan de Mascate, au sujet du commerce, de la navigation et du trafic, comme sous tous autres rapports, de tous les droits, privilèges, immunités, avantages, et protection d'une nature quelconque, dont jouissent ou pourront à l'avenir jouir les sujets ou citoyens de la nation la plus favorisée.

Et surtout ils ne seront pas assujétis à d'autres droits, impôts, restrictions ou obligations d'une nature quelconque, plus onéreux que ceux auxquels sont aujourd'hui soumis ou seront à l'avenir soumis les sujets ou citoyens de la nation la plus favorisée.

ARTICLE III.

Les deux hautes parties contractantes se reconnaissent réciproquement le droit de nommer des consuls qui résideront dans les possessions de l'une ou de l'autre partout où les intérêts du commerce nécessiteront la présence de tels officiers ; et ces consuls seront en tout temps placés, dans le pays où ils résident, sur le même pied que les consuls des nations les plus favorisées. Chacune des hautes parties contractantes conviennent de plus de laisser nommer ses propres sujets à des charges consulaires par l'autre partie contractante, pourvu toujours que les personnes ainsi nommées ne commenceront leurs fonctions qu'avec l'approbation du souverain dont elles sont les sujets. Les fonctionnaires publics de chaque gouvernement résidant dans les possessions de l'autre, jouiront des mêmes privilèges, immunités et exemptions dont jouissent dans ces mêmes possessions de semblables fonctionnaires publics d'autres pays.

ARTICLE IV.

Il y aura parfaite liberté de commerce et de navigation entre les hautes parties contractantes ; chacune permettra aux sujets de l'autre d'entrer dans tous les ports, criques et rivières avec leurs vaisseaux et cargaisons, aussi de voyager, résider, commercer et trafiquer en gros et en détail dans les possessions de l'une ou de l'autre, et d'y louer, acheter et posséder des maisons, entrepôts, boutiques, magasins et terrains. Les sujets britanniques seront libres partout, soit en personne ou par agent, de marchander, acheter, troquer et vendre toutes sortes de marchandises, articles d'importation, ou produits indigènes, soit dans l'intention de les vendre dans les possessions de Son Altesse ou de les exporter, et de convenir avec le propriétaire ou son agent du prix de toutes ses marchandises et produits sans aucune intervention que ce soit de la part des autorités de Son Altesse.

Son Altesse le Sultan de Mascate s'oblige de ne pas permettre ou reconnaître à aucun gouvernement, association ou individu, l'établissement d'aucune sorte de monopole ou le privilège exclusif de commerce dans ses domaines.

ARTICLE V.

Il sera permis aux sujets de Sa Majesté britannique par tous les domaines de Son Altesse le Sultan, d'acquérir par don, achat, succession intestate, ou par testament, ou de toute autre manière légale, des terrains, maisons, et propriété de toute espèce, soit meuble ou immeuble, de les posséder et d'en disposer librement par vente, don ou autrement.

ARTICLE VI.

Il sera permis à Son Altesse le Sultan de prélever un droit d'entrée n'excédant pas 5 pour cent sur la valeur de tous effets et marchandises, d'une nature quelconque, importés par voie de mer de pays étrangers dans les domaines de Son Altesse. Ce droit sera payé au port dans les domaines de Son Altesse où les effets sont d'abord débarqués, et sur paiement de ce droit, ces effets seront dès lors exemptés, dans les domaines de Son Altesse, de tous autres impôts douaniers ou taxes, prélevés par ou au nom du gouvernement de Son Altesse le Sultan, sous quelque designation que ce soit, et il ne sera pas exigé des sujets britanniques de droit d'importation plus élevé que celui payé par les sujets ou citoyens de la nation la plus favorisée.

Ce droit, une fois payé, exemptera de toutes autres charges de la part de Son Altesse le Sultan, les effets de toute nature venant de pays étrangers par voie de mer, que ces effets soient destinés à la consommation locale ou à être transportés ailleurs en vrac ou autrement, et soit qu'ils restent dans la condition où ils étaient lors de leur importation, soit qu'ils aient été manufacturés

Toutefois, les articles ci-dessous énumérés seront exemptés du paiement de tout droit :—

1. Les effets et marchandises qui étant destinés à un port étranger, sont transbordés d'un vaisseau à un autre dans aucun des ports de Son Altesse le Sultan de Mascate, ou qui ont été dans ce but débarqués provisoirement et déposés dans une des douanes du Sultan pour attendre l'arrivée d'un vaisseau dans lequel il seront rembarqués. Mais les effets et marchandises ainsi débarqués seront exemptés seulement à la condition que le consignataire ou son agent ait, à l'arrivée du navire délivré les dits effets pour être gardés sous le scel des douanes, et ait déclaré les avoir débarqués dans l'intention de les transborder, désignant en même temps le port de destination étranger, et à la condition aussi que les dits effets soient réellement embarqués pour le dit port étranger tel qu'originairement déclaré, sous un délai n'excédant pas six mois après leur premier débarquement, et sans avoir dans l'intervalle, changé de propriétaires.
2. Tous effets et marchandises qui, n'étant pas consignés à un port dans les domaines du Sultan, ont été par inadvertance débarqués, pourvu que ses effets soient rembarqués sous un mois après avoir été ainsi débarqués, et transportés à l'étranger. Toutefois, si ces effets ou marchandises, dont il est question ici, sont ouverts ou enlevés de la garde des autorités douanières, le plein droit sera alors exigible.
3. La houille, les provisions, approvisionnements et agrès de navire, appartenant au gouvernement de Sa Majesté, débarqués dans les domaines de Son Altesse pour l'usage des navires de la marine de Sa Majesté.
4. Tous les effets et marchandises transbordés ou débarqués pour réparation d'avaries causées par le mauvais temps ou autre désastre en mer, pourvu que la cargaison ainsi déchargée soit rembarquée et emportée à bord du même vaisseau, ou, si ce dernier a été condamné ou retardé, de toute autre manière.

ARTICLE VII.

Il ne sera fait défense d'importer un article quelconque dans les territoires de Son Altesse le Sultan de Mascate, ou de l'exporter de ces territoires et nuls droits d'exportation ne seront prélevés sur les effets exportés de ces territoires, sauf avec le consentement du gouvernement de Sa Majesté britannique, ce consentement était sujet aux conditions posées dans les notifications à ce sujet.

ARTICLE VIII.

Il est convenu et entendu par les hautes parties contractantes que dans le cas où un arrangement serait conclu entre Son Altesse et les puissances qui ont des traités de commerce avec Mascate, et auquel la Grande-Bretagne sera partie contractante, par lequel les vaisseaux entrant dans le port de Mascate seront soumis à des droits de navire, de tonnage ou de havre, ces droits seront administrés sous le contrôle d'une commission spéciale pour l'amélioration du havre et la construction et entretien des phares, etc., rien dans les dispositions qui précèdent ne sera censé exempter les vaisseaux britanniques du paiement de ces droits de navire, de tonnage ou de havre, selon qu'il pourra être convenu plus tard.

ARTICLE IX.

Il sera facultatif pour un sujet britannique dans chaque cas de payer les droits proportionnels stipulés dans l'article VI, soit en monnaie, ou, si la nature des effets le permet, en nature, en donnant un montant équivalent des effets ou produits.

Dans le cas où le paiement serait fait en monnaie la valeur des marchandises, effets ou produits sur lesquels le droit doit être prélevé, sera fixée d'après le prix du marché au comptant en vigueur lorsque le droit est prélevé. Dans le cas d'importations étrangères, la valeur sera fixée selon le prix du marché à Mascate, et dans le cas d'effets et produits indigènes selon le prix du marché à l'endroit que le marchand choisira pour payer le droit.

S'il s'élevait quelque différend entre un sujet britannique et les autorités douanières concernant la valeur de ces effets, ce différend sera renvoyé à deux experts, chaque partie en nomment un, et la valeur ainsi déterminée sera décisive. Toutefois, si ces experts ne peuvent s'entendre, ils choisiront un tiers arbitre, dont la décision sera finale.

ARTICLE X.

Son Altesse le Sultan de Mascate s'engage par le présent traité à veiller et à donner ordre à ses fonctionnaires dans ce sens, à ce que le mouvement des effets en transit ne soit pas obstrué ou retardé d'une manière vexatoire par des formalités et des règlements douaniers inutiles, et que toute facilité soit donnée pour leur transport.

ARTICLE XI.

Les vaisseaux britanniques entrant dans un port des domaines de Son Altesse le Sultan de Mascate, en détresse, recevront des autorités locales toute l'aide nécessaire pour leur permettre de se ravitailler et radouber de façon à pouvoir continuer leur route.

Si un vaisseau britannique faisait naufrage sur les côtes des domaines de Son Altesse, les autorités de Son Altesse rendront toute l'aide en leur pouvoir au navire en détresse, afin de sauver le navire, sa cargaison et les personnes à bord ; elles donneront aussi aide et protection aux personnes sauvées, et les aideront à atteindre le consulat britannique le plus proche ; de plus elles prendront tout le soin possible que les effets ainsi recouvrés soient sûrement emmagasinés, et gardés dans le but d'être délivrés au propriétaire, capitaine, agent du navire, ou consul britannique, sujet toujours aux droits de sauvetage.

Les autorités de Son Altesse verront de plus à ce que le consulat britannique soit de suite informé du sinistre.

Si un vaisseau britannique, naufragé sur les côtes des domaines de Son Altesse, est pillé, les autorités de Son Altesse devront aussitôt qu'elles en seront informées, prêter prompte aide, et prendre des mesures pour poursuivre et recouvrer les effets dérobés. De même, si un vaisseau de Son Altesse le Sultan de Mascate, ou d'un de ses sujets, entre dans un port britannique en détresse, ou fait naufrage sur les côtes des domaines de Sa Majesté, le même secours et aide sera rendu par les autorités britanniques.

ARTICLE XII.

Si des matelots ou autres appartenant à un navire de guerre ou navire marchand britannique, déserte et se refuge à terre ou à bord d'un des navires de Son Altesse, les autorités de Son Altesse le Sultan de Mascate devront, sur la demande d'un officier consulaire, ou, en son absence, du capitaine du navire, prendre les mesures nécessaires afin de les appréhender et livrer à l'officier consulaire ou au capitaine.

L'officier consulaire et le capitaine devront toutefois prêter main-forte dans cette affaire.

ARTICLE XIII.

Les sujets de Sa Majesté britannique, quant à leurs personnes et biens dans les domaines de Son Altesse le Sultan de Mascate, jouiront du droit d'exterritorialité.

Les autorités de Son Altesse le Sultan n'ont pas droit d'intervenir dans les disputes entre sujets de Sa Majesté britannique, ou entre ces derniers et des membres d'autres nations chrétiennes ; ces questions, quelles soient de nature civile ou criminelle, seront décidées par les autorités consulaires compétentes.

Le procès et aussi la punition de toutes infractions et crimes dont les sujets britanniques pourront être accusés dans les domaines de Son Altesse le Sultan, aussi l'audition et le règlement de toutes questions, ou réclamations ou disputes au civil dans lesquelles ils sont défendeurs, est expressément réservée aux autorités consulaires et tribunaux britanniques, et soustraite à la juridiction de Son Altesse le Sultan.

Dans le cas de différends entre des sujets de Son Altesse le Sultan ou autre puissance non chrétienne qui n'est pas représentée par consuls à Mascate, et un sujet de Sa Majesté britannique, dans lequel un sujet britannique est demandeur ou plaignant, l'affaire sera portée devant la plus haute autorité du Sultan, ou quelque personne spécialement déléguée par lui à cet effet, et décidée par elle. Les procédures et décision finale dans un tel cas ne seront pas, toutefois, considérées légales à moins qu'avis n'ait été donné et une occasion fournie au consul britannique ou son substitut d'être présent à l'audition finale.

ARTICLE XIV.

Les sujets de Son Altesse le Sultan, ou de toute nation non chrétienne, non représentés par consuls à Mascate, qui sont au service régulier de sujets britanniques dans les domaines de Son Altesse le Sultan de Mascate, jouiront de la même protection que les sujets britanniques mêmes.

S'ils sont accusés d'avoir commis un crime ou une infraction grave punissable par la loi, ils seront, sur preuve satisfaisante qui justifierait de plus amples poursuites, livrés par les patrons britanniques, ou par ordre du consul britannique, aux autorités de Son Altesse le Sultan pour sentence et punitions.

ARTICLE XV.

Si un sujet de Sa Majesté résidant dans les domaines de Son Altesse le Sultan de Mascate est déclaré insolvable, le consul britannique prendra possession, recouvrera et réalisera tous les biens et actif disponibles de cet insolvable, qui seront traités et distribués suivant les dispositions de la loi de banqueroute anglaise.

ARTICLE XVI.

Si un sujet de Son Altesse le Sultan de Mascate résiste ou élude le paiement des justes et légitimes réclamations d'un sujet britannique, les autorités de Son Altesse le Sultan prêteront au créancier britannique toute aide et facilité pour recouvrer le montant qui lui est dû. De même le consul britannique donnera toute aide et facilité aux sujets de Son Altesse le Sultan de Mascate dans le recouvrement de dettes légitimement dues à eux par un sujet britannique.

ARTICLE XVII.

Si un sujet britannique décède dans les domaines de Son Altesse le Sultan de Mascate, ou décédant ailleurs y laisse des biens, meubles ou immeubles, le consul britannique sera autorisé à collecter, réaliser et prendre possession des biens du défunt, pour en disposer suivant les dispositions de la loi anglaise.

ARTICLE XVIII.

Les fonctionnaires de Son Altesse ne pourront, sous aucun prétexte, pénétrer ni faire de perquisitions dans les maisons, habitations entrepôts et autres locaux de sujets britanniques, ou de personnes virtuellement en service régulier dans les domaines de Son Altesse le Sultan de Mascate, sans le consentement de l'occupant, à moins que ce ne soit à la connaissance et avec l'aide du consul britannique, ou de son substitut.

ARTICLE XIX.

Il est par le présent convenu entre les hautes parties contractantes que, dans le cas où il serait plus tard conclu une convention entre Son Altesse le Sultan de Mascate et les diverses puissances avec lesquelles Son Altesse aurait passé des traités, y compris la Grande-Bretagne qui doit y être partie contractante, en vertu de laquelle les résidants d'un district ou ville seraient, sans distinction de nationalité, assujétis au paiement de taxes locales, pour des fins municipales et hygiéniques, ces taxes seront fixées et administrées sous le contrôle d'une commission spéciale ; rien de contenu au présent traité ne sera censé exempter les résidants britanniques du paiement de ces taxes.

ARTICLE XX.

Les sujets des deux hautes parties contractantes jouiront, dans les domaines de l'une et de l'autre, de la liberté de conscience et de la tolérance religieuse, de l'exercice libre et public de toutes formes de religion, et du droit de bâtir des édifices pour le culte religieux.

ARTICLE XXI.

Les stipulations du susdit traité seront applicables à toutes les colonies et possessions étrangères de Sa Majesté britannique, en tant que la loi le permettra, à l'exception de celles ci-dessous mentionnées, savoir :

La Puissance du Canada,
Terreneuve,
Le Cap de Bonne Espérance,
Natal,
La Nouvelle-Galles du Sud,
Victoria,
Queensland,
La Tasmanie,
L'Australie Méridionale,

Pourvu toujours que les stipulations du présent traité seront rendues applicables à aucune des susdites colonies ou possessions étrangères au nom de laquelle avis à cet effet aura été donné par le représentant de Sa Majesté Britannique à Mascate, à Son Altesse le Sultan, dans le cours de deux ans à dater de l'échange des ratifications du présent traité.

ARTICLE XXII.

Le présent traité a été exécuté en quadruple copie, deux copies étant en anglais et deux en arabique. Ces copies sont censées avoir le même sens et la même signification; dans le cas, toutefois, où il s'élèverait un doute quant à la véritable interprétation du texte anglais ou arabique de l'une quelconque des stipulations du traité, le texte anglais sera considéré décisif. Le traité deviendra exécutoire sous un mois après la date des ratifications.

ARTICLE XXIII.

Après la date de douze ans à compter de la date où le traité entrera en vigueur, et sur douze mois d'avis donné par l'une et l'autre partie, le présent traité sera sujet à revision par des plénipotentiaires nommés à cette fin par les deux parties, lesquels seront revêtus du pouvoir de décider et adopter tels amendements que l'expérience leur démontrera désirables.

En foi de quoi le Colonel Edward Charles Ross, C.S.I., au nom de Sa Majesté la Reine de la Grande-Bretagne et d'Irlande, et Impératrice de l'Inde, et Son Altesse Seyyid Feysal-bin-Turki, Sultan de Mascate, en son propre nom, l'ont signé et y ont apposé leurs sceaux.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture, et avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant six mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

ORDERS IN COUNCIL.

[2980]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 24th day of November, 1892.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency the Governor General, by and with the advice of the Queen's Privy Council for Canada, has been this day pleased to approve of the accompanying By-law of the Harbour Commissioners of Montreal, passed on the 11th October, 1892, respecting the admission of Apprentice Pilots to be Branch Pilots.

JOHN J. McGEE,
Clerk of the Privy Council.

—

Harbour Commissioners of Montreal,
Secretary's Office,
Montreal.

By-law of the Harbour Commissioners of Montreal, duly made and passed at a meeting of the said Harbour Commissioners duly called and held at their Board Room in Montreal, in the Province of Quebec, on the eleventh day of October, one thousand eight hundred and ninety-two.

Present:—Henry Bulmer, Esquire, chairman; Hon. Edward Murphy; J. O. Villeneuve, Richard White, C. H. Gould, Esquires, James McShane, Esquire, Mayor, and Andrew Allan, Esquire.

Whereas, in the carrying out of the by-laws at present in force regarding the examination of persons desiring to be apprenticed as Pilots, it has been found inconvenient to require the presence of the Committee of Pilots, or of a Nautical Assessor, and their presence is not considered essential;

Therefore, it is resolved that the following be, and is hereby, added to the By-laws of the said Harbour Commissioners already in force:—

"Article 134a.

"Any persons now acting, or who may hereafter act, as licensed Apprentice Pilots, and who shall have passed, or may hereafter pass, a satisfactory examination before the Board of Examiners, may be admitted to be Branch Pilots in ordinary course, notwithstanding that, at the time of their examination to be admitted as licensed Apprentice Pilots, no Nautical Assessor, nor Committee of Pilots, were notified to attend at the Board of Examiners, or did so attend."

Certified,
ALEXANDER ROBERTSON,
Secretary.

[228]

Report of a Committee of the Honourable the Privy Council, approved by His Excellency the Governor General in Council, on the 6th February, 1893.

ON a report dated 27th January, 1893, from the Minister of the Interior, stating that by an Order in Council dated the 7th of April, 1887, leases of grazing lands in Manitoba and the North West Territories can only be acquired by public competition, except in the case of an actual settler to whom may be leased without competition four sections of land contiguous to his homestead;

The Minister further states that this was amended by another Order of Your Excellency dated 17th of September, 1889, by changing the word "contiguous" to "in the vicinity," and by extending the provision referred to in the preceding paragraph to Dominion Lands in the Province of British Columbia;

The Minister further states that at the time the provision in question was made a great demand for large ranches existed, and it was thought to be in the public interest that such a provision should be enacted, and that within the last two or three years very few applications have been received at the Department of the Interior for large tracts of land for grazing, but nearly all the applications have been from settlers and others for areas varying from 640 acres to four or five thousand acres, and unless the tract applied for was in the vicinity of the land upon which the applicant was living, it was necessary, under the provision of the regulation above quoted, to invite public competition therefor, and that in all cases where competition has been invited the only tender received has been from the applicant, and the amount paid has not covered the cost of advertising for tenders in the local newspapers:

The Minister, in view of the above circumstances, is of the opinion that the provision in the grazing resolutions making it necessary to invite competition for leases is not in the public interest, and he recommends that it be repealed.

The Committee submit the above recommendation for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 27th day of February, 1893.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, by and with the advice of the Queen's Privy Council for Canada, has this day been pleased to approve of the accompanying By-laws of the Pilotage authority for the District of Halifax, Nova Scotia.

JOHN J. McGEE,
Clerk of the Privy Council.

The Halifax Pilot Commissioners in pursuance of the powers conferred upon them by "The Pilotage Act," being chapter 80 of the Revised Statutes of Canada, do hereby make and erect the following by-laws in addition to the twenty-seven by-laws heretofore made and enacted by them, and they do order and direct as follows :

28. Any licensed pilot who has first offered his services to any ship or vessel in the cases and under the circumstances mentioned in section 61 or section 62 of the Pilotage Act, and within the meaning of the said sections or either of them, and whose services have not been accepted shall be deemed to have earned the whole amount actually recovered from the master, owner or other person liable to pay the pilotage dues in said respective sections mentioned, after deducting from each amount actually recovered all expenses incurred in obtaining payment of the same, and such pilot shall be deemed to have earned the said amount less the said deduction. In case two or more pilots have so offered their services at the same time to any such ship, then the pilot who was entitled to have his services accepted shall be deemed to have earned the said amount less the said deduction.

29. In case any vessel mentioned in the twenty-third by-law and employed in any trade therein mentioned is duly spoken upon any inward voyage of such vessel by a pilot who is then entitled to have his services accepted by such vessel, and in case the services of such pilot are not so accepted by the master, owner or other person in charge of such vessel such pilot shall in every such case be deemed to have earned the pilotage dues received or recovered for or in respect of such inward voyage of such vessel.

30. All pilotage dues received for pilotage of any vessel upon an outward voyage when such vessel takes no pilot upon such outward voyage shall be distributed as follows :—

(*a.*) In case the master or other person in charge of such vessel shall have accepted and received the services of a pilot on her inward voyage last preceding such outward voyage such pilot shall be deemed to have earned the dues received or recovered for pilotage dues in respect to such outward voyage, unless he shall have failed or neglected to render his services when required so to do, to such vessel on such outward voyage.

(*b.*) In case any pilot shall have been engaged by the master or other person in charge of such vessel to pilot such vessel to sea on such outward voyage and such master or other person shall afterwards have failed or declined to accept the services of such pilot and in case such pilot shall have been ready and willing and competent to render his services to such vessel on such outward voyage such pilot shall be deemed to have earned the pilotage dues actually received or recovered for or in respect of such outward voyage of such vessel.

(*c.*) All other pilotage dues received or recovered from vessels in respect of outward voyages in cases where such vessels have not taken a pilot on such outward voyages shall be paid into the general fund and shall be applied to the purposes mentioned in the thirty-third by-law.

31. There shall be an officer of the Board to be called Secretary and Treasurer, and it shall be the duty of such officer to keep the books and accounts of the Board to receive payment of all moneys payable to the Board, to conduct the correspondence under the direction of the Board and to perform generally the duties of a Secretary and Treasurer.

32. All pilotage dues and all fees for licenses of pilots and of pilot boats and for renewals thereof and for bonds of pilots and for renewals thereof, and all other moneys which the Commissioners are entitled to receive including any *fines or penalties* payable or incurred by pilots under the provisions of the Pilotage Act or under the provisions of any by-law made thereunder shall be paid to the Secretary and Treasurer of the Board who shall keep a correct and careful account thereof and of the payment and disbursement thereof. The said fines and penalties shall however be by him forthwith paid into and form a part of the Halifax Pilots Superannuation Fund mentioned in the thirty-third by-law.

33. All the said moneys referred to in the thirteenth and thirty-second by-laws (except the fines and penalties referred to in the thirty-second by-law) shall form a general fund and out of the said general fund there shall be paid in each and every year the following amounts :—

(*a.*) To a fund to be called the Halifax Pilots Superannuation Fund three per cent of the pilotage dues actually received by and paid to the Secretary and Treasurer of the Board during such year.

(*b.*) All such necessary expenses (other than those mentioned in sub-sections (*c.*) and (*d.*) of this by-law) of conducting the pilotage business of the district during each year as shall have been incurred by the Commissioners, including legal expenses, office rent, postage, telegrams, printing and other necessary expenses of the Board.

(*c.*) To the Secretary and Treasurer of the Board the sum of $600 per annum as mentioned in the twenty-sixth by-law.

(*d.*) To each Commissioner any expenses incurred by him not exceeding $100 per annum, and to the Chairman any expenses incurred by him not exceeding $200 per annum as mentioned in the twenty-seventh by-law.

(*e.*) The balance of the moneys received during each such year after payment of the amounts mentioned in subsections *a. b. c.* and *d.* hereof shall be paid and distributed among the said pilots according to the amount of their respective earnings. The said earnings shall be paid to the respective pilots by monthly payments so far as shall be practicable.

34. In case any licensed pilot shall attain the age of sixty-five years and the Commissioners shall be of opinion that such pilot is by reason of age or bodily infirmity or for any other reason incapable of satisfactorily performing the duties of a licensed pilot the said Commissioners may, by a resolution, declare that such pilot shall cease to act as a licensed pilot on and after a date to be fixed in and by said resolution. The Secretary shall communicate the said resolution to such pilot and after the date fixed in and by such resolution the license of such pilot shall cease and determine and become void and such pilot thereafter shall be incapable of acting as a licensed pilot and shall cease to be a licensed pilot, and such pilot shall forthwith deliver up his license to the Commissioners to be cancelled.

35. In case the Commissioners shall be of opinion that there should be an investigation as to whether any licensed pilot who has not attained the age of sixty-five years is incapacitated by mental or bodily infirmity or by habits of drunkenness from performing the duties of a licensed pilot such Commissioners may issue a summons to such pilot briefly stating the grounds of the alleged incapacity of such pilot and calling upon such pilot to appear before the Commissioners at the time and place named in such summons to show cause why an order should not be made declaring such pilot incapacitated from performing the duties of a licensed pilot and revoking and cancelling the license granted to him.

Such summons shall be signed by the Secretary and shall be served upon the pilot therein named at least four days before the time therein mentioned for the holding of such investigation. At the time and place in such summons mentioned the Commissioners shall investigate the said matter summarily and may proceed with such investigation in the absence of such pilot upon due proof before them of the service of such summons upon such pilot.

The Commissioners shall hear any evidence which such pilot may produce before them upon such investigation and they may also hear evidence in support of the allegation that such pilot is incapacitated, *but such last named evidence shall not be necessary to enable the Commissioners to make an order declaring such pilot incapacitated from performing the duties of a licensed pilot and revoking and cancelling his license.* The Commissioners may thereupon make an order revoking and cancelling the license of such pilot and declaring him incapacitated from performing the duties of a licensed pilot and the license of such pilot shall from and after the making of such order cease and determine and shall thereafter be of no further effect, and the said pilot shall thereafter cease to be a licensed pilot and shall be incapable of performing the duties of a licensed pilot and he shall forthwith deliver up his license to the Commissioners to be cancelled.

36. There shall be a fund to be called the Halifax Pilots' Superannuation Fund which shall consist of three per cent of the pilotage dues from time to time earned by the licensed pilots and actually received by the Board. The said Superannuation Fund shall be invested in the name of the Halifax Pilot Commissioners *in the manner prescribed by section 92 of the Pilotage Act.* The Commissioners shall also pay into the said fund all moneys now in their hands after first deducting therefrom the necessary expenses and payments mentioned in subsections *a. b. c. d.* and *e.* of the thirty-third by-law incurred or payable by the Commissioners up to this date, and such moneys shall form part of the said Halifax Pilots' Superannuation Fund.

37. In case any pilot while licensed by the Commissioners shall become incapacitated by reason of age or infirmity or accident, and in case the Commissioners shall by reason thereof revoke or cancel or refuse the license of such pilot, there shall be paid to such pilot during the remainder of his natural life, by the Commissioners of the said Superannuation Fund, a sum not less than $50 per annum and not more than $300 per annum in the discretion of the said Commissioners, and subject to such conditions and regulations in each case as to the Commissioners shall seem just. In case such pilot shall die after the Commissioners have so revoked, cancelled or refused to renew his license and in case such pilot shall leave him surviving a widow and a child or a widow only or a child or children only the Commissioners may, in their discretion, continue such payment or the payment of any other amount not exceeding $300 per annum to such widow and child or children or any or either of them for such period of time and subject to such conditions and regulations in each case as by the said Commissioners shall be deemed just. In case any licensed pilot shall die while so licensed and shall leave him surviving a widow and a child or children or a widow only or a child or children only the Commissioners may in their discretion pay to such widow and to such child or children or to any or either of them such sums amounting in all to not less than $50 per annum and to not more than $300 per annum for such number of years and subject to such conditions and regulations in each case as by the said Commissioners shall be deemed just.

38. The twenty-fifth by-law is hereby repealed and the following by-law is substituted therefor :—

"Any licensed pilot who fails to comply with any "by-law now or heretofore made or hereafter to be "made by the Halifax Pilot Commissioners or who "evades or attempts to evade the sense, intent or "meaning of any such by-law shall, for every such "offence, incur a penalty not exceeding forty dollars, "and in case of a continuing breach of any such by-"law shall be liable to have his license withdrawn or "suspended in the discretion of the Commissioners."

39. The expression "Commissioners" or "Board" in any by-laws made or to be made by the Halifax Pilot Commissioners shall mean the Halifax Pilot Commissioners. 37–4

Jeudi, le 24e jour de novembre 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

IL a plu à Son Excellence le Gouverneur général, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'approuver le Règlement ci-joint des Commissaires du Havre de Montréal, passé le 11e d'octobre 1892, concernant l'admission des apprentis-pilotes, comme pilotes commissionnés.

COMMISSAIRES DU HAVRE DE MONTRÉAL,
BUREAU DU SECRÉTAIRE,
MONTRÉAL.

RÈGLEMENT des Commissaires du Havre de Montréal, dûment fait et passé à une assemblée des dits Commissaires du Havre dûment convoquée et tenue à leur salle de réunion à Montréal, dans la province de Québec, le onzième jour d'octobre mil huit cent quatre-vingt-douze

Présents :—Henry Bulmer, écuyer, président ; L'hon. Edward Murphy ; J. O. Villeneuve, Richard White, C. H. Gould, écuyers ; James McShane, écuyer, maire, et Andrew Allan, écuyer.

Considérant que dans l'exécution des règlements actuellement en vigueur concernant l'examen de personnes qui désirent s'engager comme apprentis-pilotes, il s'est trouvé qu'il était incommode d'exiger la présence du Comité des pilotes, ou d'un assesseur nautique, et que leur présence n'est pas considérée essentielle ;

En conséquence il est résolu, que l'article suivant soit et il est par le présent ajouté aux Règlements des dits Commissaires du Havre déjà en force :—

« ARTICLE 134A.

« Toutes personnes qui agissent aujourd'hui ou qui pourront plus tard agir comme apprentis-pilotes commissionnés, et qui auront passé, ou passeront plus tard un examen satisfaisant devant le bureau d'examinateurs, pourront être admises comme pilotes commissionnés dans le cours ordinaire, nonobstant qu'à l'époque de leur examen pour être admis apprentis-pilotes commissionnés, nul assesseur nautique ni comité de pilotes, n'avaient été avertis d'assister à la réunion du bureau d'examinateurs, ou n'y avaient pas ainsi assisté. »

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture, et avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(a.) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(b.) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant six mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extrajudiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

SECRETARY'S OFFICE,

[228]

REPORT of a Committee of the Honourable the Privy Council, approved by His Excellency the Governor General in Council, on the 6th February, 1893.

ON a report dated 27th January, 1893, from the Minister of the Interior, stating that by an Order in Council dated the 7th of April, 1887, leases of grazing lands in Manitoba and the North West Territories can only be acquired by public competition, except in the case of an actual settler to whom may be leased without competition four sections of land contiguous to his homestead ;

The Minister further states that this was amended by another Order of Your Excellency dated 17th of September, 1889, by changing the word "contiguous" to "in the vicinity," and by extending the provision referred to in the preceding paragraph to Dominion Lands in the Province of British Columbia;

The Minister further states that at the time the provision in question was made a great demand for large ranches existed, and it was thought to be in the public interest that such a provision should be enacted, and that within the last two or three years very few applications have been received at the Department of the Interior for large tracts of land for grazing, but nearly all the applications have been from settlers and others for areas varying from 640 acres to four or five thousand acres, and unless the tract applied for was in the vicinity of the land upon which the applicant was living, it was necessary, under the provision of the regulation above quoted, to invite public competition therefor, and that in all cases where competition has been invited the only tender received has been from the applicant, and the amount paid has not covered the cost of advertising for tenders in the local newspapers:

The Minister, in view of the above circumstances, is of the opinion that the provision in the grazing resolutions making it necessary to invite competition for leases is not in the public interest, and he recommends that it be repealed.

The Committee submit the above recommendation for Your Excellency's approval.

JOHN J. McGEE,
37-4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA

Monday, the 27th day of February, 1893.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, by and with the advice of the Queen's Privy Council for Canada, has this day been pleased to approve of the accompanying By-laws of the Pilotage authority for the District of Halifax, Nova Scotia.

JOHN J. McGEE,
Clerk of the Privy Council.

The Halifax Pilot Commissioners in pursuance of the powers conferred upon them by "The Pilotage Act," being chapter 80 of the Revised Statutes of Canada, do hereby make and enact the following by-laws in addition to the twenty-seven by-laws heretofore made and enacted by them, and they do order and direct as follows:

28. Any licensed pilot who has first offered his services to any ship or vessel in the cases and under the circumstances mentioned in section 61 or section 62 of the Pilotage Act, and within the meaning of the said sections or either of them, and whose services have not been accepted shall be deemed to have earned the whole amount actually recovered from the master, owner or other person liable to pay the pilotage dues in said respective sections mentioned, after deducting from each amount actually recovered all expenses incurred in obtaining payment of the same, and such pilot shall be deemed to have earned the said amount less the said deduction. In case two or more pilots have so offered their services at the same time to any such ship, then the pilot who was entitled to have his services accepted shall be deemed to have earned the said amount less the said deduction.

29. In case any vessel mentioned in the twenty-third by-law and employed in any trade therein mentioned is duly spoken upon any inward voyage of such vessel by a pilot who is then entitled to have his services accepted by such vessel, and in case the services of such pilot are not so accepted by the master, owner or other person in charge of such vessel such pilot shall in every such case be deemed to have earned the pilotage dues received or recovered for or in respect of such inward voyage of such vessel.

30. All pilotage dues received for pilotage of any vessel upon an outward voyage when such vessel takes no pilot upon such outward voyage shall be distributed as follows:—

(*a.*) In case the master or other person in charge of such vessel shall have accepted and received the services of a pilot on her inward voyage last preceding such outward voyage such pilot shall be deemed to have earned the dues received or recovered for pilotage dues in respect to such outward voyage, unless he shall have failed or neglected to render his services when required so to do, to such vessel on such outward voyage.

(*b.*) In case any pilot shall have been engaged by the master or other person in charge of such vessel to pilot such vessel to sea on such outward voyage and such master or other person shall afterwards have failed or declined to accept the services of such pilot and in case such pilot shall have been ready and willing and competent to render his services to such vessel on such outward voyage such pilot shall be deemed to have earned the pilotage dues actually received or recovered for or in respect of such outward voyage of such vessel.

(*c.*) All other pilotage dues received or recovered from vessels in respect of outward voyages in cases where such vessels have not taken a pilot on such outward voyages shall be paid into the general fund and shall be applied to the purposes mentioned in the thirty-third by-law.

31. There shall be an officer of the Board to be called Secretary and Treasurer, and it shall be the duty of such officer to keep the books and accounts of the Board to receive payment of all moneys payable to the Board, to conduct the correspondence under the direction of the Board and to perform generally the duties of a Secretary and Treasurer.

32. All pilotage dues and all fees for licenses of pilots and of pilot boats and for renewals thereof and for bonds of pilots and for renewals thereof, and all other moneys which the Commissioners are entitled to receive including any *fines or penalties* payable or incurred by pilots under the provisions of the Pilotage Act or under the provisions of any by-law made thereunder shall be paid to the Secretary and Treasurer of the Board who shall keep a correct and careful account thereof and of the payment and disbursement thereof. The said fines and penalties shall however be by him forthwith paid into and form a part of the Halifax Pilots Superannuation Fund mentioned in the thirty-third by-law.

33. All the said moneys referred to in the thirteenth and thirty-second by-laws (except the fines and penalties referred to in the thirty-second by-law) shall form a general fund and out of the said general fund there shall be paid in each and every year the following amounts:—

(*a.*) To a fund to be called the Halifax Pilots Superannuation Fund three per cent of the pilotage dues actually received by and paid to the Secretary and Treasurer of the Board during such year.

(*b.*) All such necessary expenses (other than those mentioned in sub-sections (*c.*) and (*d.*) of this by-law) of conducting the pilotage business of the district during each year as shall have been incurred by the Commissioners, including legal expenses, office rent, postage, telegrams, printing and other necessary expenses of the Board.

(*c.*) To the Secretary and Treasurer of the Board the sum of $600 per annum as mentioned in the twenty-sixth by-law.

(*d.*) To each Commissioner any expenses incurred by him not exceeding $100 per annum, and to the Chairman any expenses incurred by him not exceeding $200 per annum as mentioned in the twenty-seventh by-law.

(*e.*) The balance of the moneys received during each such year after payment of the amounts mentioned in subsections *a. b. c.* and *d.* hereof shall be paid and distributed among the said pilots according to the amount of their respective earnings. The said earnings shall be paid to the respective pilots by monthly payments so far as shall be practicable.

34. In case any licensed pilot shall attain the age of sixty-five years and the Commissioners shall be of opinion that such pilot is by reason of age or bodily infirmity or for any other reason incapable of satisfactorily performing the duties of a licensed pilot the said Commissioners may, by a resolution, declare that such pilot shall cease to act as a licensed pilot on and after a date to be fixed in and by said resolution. The Secretary shall communicate the said resolution to such pilot and after the date fixed in and by such resolution the license of such pilot shall cease and determine and become void and such pilot thereafter shall be incapable of acting as a licensed pilot and shall cease to be a licensed pilot, and such pilot shall forthwith deliver up his license to the Commissioners to be cancelled.

35. In case the Commissioners shall be of opinion that there should be an investigation as to whether any licensed pilot who has not attained the age of sixty-five years is incapacitated by mental or bodily infirmity or by habits of drunkenness from performing the duties of a licensed pilot such Commissioners may issue a summons to such pilot briefly stating the grounds of the alleged incapacity of such pilot and calling upon such pilot to appear before the Commissioners at the time and place named in such summons to show cause why an order should not be made declaring such pilot incapacitated from performing the duties of a licensed pilot and revoking and cancelling the license granted to him.

Such summons shall be signed by the Secretary and shall be served upon the pilot therein named at least four days before the time therein mentioned for the holding of such investigation. At the time and place in such summons mentioned the Commissioners shall investigate the said matter summarily and may proceed with such investigation in the absence of such pilot upon due proof before them of the service of such summons upon such pilot.

The Commissioners shall hear any evidence which such pilot may produce before them upon such investigation and they may also hear evidence in support of the allegation that such pilot is incapacitated, *but such last named evidence shall not be necessary to enable the Commissioners to make an order declaring such pilot incapacitated from performing the duties of a licensed pilot and revoking and cancelling his license.* The Commissioners may thereupon make an order revoking and cancelling the license of such pilot and declaring him incapacitated from performing the duties of a licensed pilot and the license of such pilot shall from and after the making of such order cease and determine and shall thereafter be of no further effect, and the said pilot shall thereafter cease to be a licensed pilot and shall be incapable of performing the duties of a licensed pilot and he shall forthwith deliver up his license to the Commissioners to be cancelled.

36. There shall be a fund to be called the Halifax Pilots' Superannuation Fund which shall consist of three per cent of the pilotage dues from time to time earned by the licensed pilots and actually received by the Board. The said Superannuation Fund shall be invested in the name of the Halifax Pilot Commissioners *in the manner prescribed by section* 92 *of the Pilotage Act.* The Commissioners shall also pay into the said fund all moneys now in their hands after first deducting therefrom the necessary expenses and payments mentioned in subsections *a. b. c. d.* and *e.* of the thirty-third by-law incurred or payable by the Commissioners up to this date, and such moneys shall form part of the said Halifax Pilots' Superannuation Fund.

37. In case any pilot while licensed by the Commissioners shall become incapacitated by reason of age or infirmity or accident, and in case the Commissioners shall by reason thereof revoke or cancel or refuse the license of such pilot, there shall be paid to such pilot during the remainder of his natural life, by the Commissioners of the said Superannuation Fund, a sum not less than $50 per annum and not more than $300 per annum in the discretion of the said Commissioners, and subject to such conditions and regulations in each case as to the Commissioners shall seem just. In case such pilot shall die after the Commissioners have so revoked, cancelled or refused to renew his license and in case such pilot shall leave him surviving a widow and a child or a widow only or a child or children only the Commissioners may, in their discretion, continue such payment or the payment of any other amount not exceeding $300 per annum to such widow and child or children or any or either of them for such period of time and subject to such conditions and regulations in each case as by the said Commissioners shall be deemed just. In case any licensed pilot shall die while so licensed and shall leave him surviving a widow and a child or children or a widow only or a child or children only the Commissioners may in their discretion pay to such widow and to such child or children or to any or either of them such sums amounting in all to not less than $50 per annum and to not more than $300 per annum for such number of years and subject to such conditions and regulations in each case as by the said Commissioners shall be deemed just.

38. The twenty-fifth by-law is hereby repealed and the following by-law is substituted therefor :—

"Any licensed pilot who fails to comply with any " by-law now or heretofore made or hereafter to be " made by the Halifax Pilot Commissioners or who " evades or attempts to evade the sense, intent or " meaning of any such by-law shall, for every such " offence, incur a penalty not exceeding forty dollars, " and in case of a continuing breach of any such by- " law shall be liable to have his license withdrawn or " suspended in the discretion of the Commissioners."

39. The expression "Commissioners" or "Board" in any by-laws made or to be made by the Halifax Pilot Commissioners shall mean the Halifax Pilot Commissioners. 37-4

ARRÊTÉS EN CONSEIL.

[2980]

HOTEL DU GOUVERNEMENT À OTTAWA.

Jeudi, le 24e jour de novembre 1892.

Présent :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il a plu à Son Excellence le Gouverneur général, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'approuver le Règlement ci-joint des Commissaires du Havre de Montréal, passé le 11e d'octobre 1892, concernant l'admission des apprentis-pilotes, comme pilotes commissionnés.

JOHN J. McGEE,
Greffier du Conseil privé.

Commissaires du Havre de Montréal,
Bureau du Secrétaire,
Montréal.

Règlement des Commissaires du Havre de Montréal, dûment fait et passé à une assemblée des dits Commissaires du Havre dûment convoquée et tenue à leur salle de réunion à Montréal, dans la province de Québec, le onzième jour d'octobre mil huit cent quatre-vingt-douze.

Présents :—Henry Bulmer, écuyer, président ; L'hon. Edward Murphy ; J. O. Villeneuve, Richard White, C. H. Gould, écuyers ; James McShane, écuyer, maire, et Andrew Allan, écuyer.

Considérant que dans l'exécution des règlements actuellement en vigueur concernant l'examen de personnes qui désirent s'engager comme apprentis-pilotes, il s'est trouvé qu'il était incommode d'exiger la présence du Comité des pilotes, ou d'un assesseur nautique, et que leur présence n'est pas considérée essentielle ;

En conséquence il est résolu, que l'article suivant soit et il est par le présent ajouté aux Règlements des dits Commissaires du Havre déjà en force :—

" Article 134a.

" Toutes personnes qui agissent aujourd'hui ou qui pourront plus tard agir comme apprentis-pilotes commissionnés, et qui auront passé, ou passeront plus tard un examen satisfaisant devant le bureau d'examinateurs, pourront être admises comme pilotes commissionnés dans le cours ordinaire, nonobstant qu'à l'époque de leur examen pour être admis apprentis-pilotes commissionnés, nul assesseur nautique ni comité de pilotes, n'avaient été avertis d'assister à la réunion du bureau d'examinateurs, ou n'y avaient pas ainsi assisté."

Certifié,

Secrétaire.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture, et avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Substance des règles et formes de procéder du Sénat concernant les bills de divorce.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant six mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

[228]

REPORT of a Committee of the Honourable the Privy Council, approved by His Excellency the Governor General in Council, on the 6th February, 1893.

ON a report dated 27th January, 1893, from the Minister of the Interior, stating that by an Order in Council dated the 7th of April, 1887, leases of grazing lands in Manitoba and the North West Territories can only be acquired by public competition, except in the case of an actual settler to whom may be leased without competition four sections of land continou to his homestead ;

The Minister further states that this was amended by another Order of Your Excellency dated 17th of September, 1889, by changing the word "contiguous" to "in the vicinity," and by extending the provision referred to in the preceding paragraph to Dominion Lands in the Province of British Columbia ;

The Minister further states that at the time the provision in question was made a great demand for large ranches existed, and it was thought to be in the public interest that such a provision should be enacted, and that within the last two or three years very few applications have been received at the Department of the Interior for large tracts of land for grazing, but nearly all the applications have been from settlers and others for areas varying from 640 acres to four or five thousand acres, and unless the tract applied for was in the vicinity of the land upon which the applicant was living, it was necessary, under the provision of the regulation above quoted, to invite public competition therefor, and that in all cases where competition has been invited the only tender received has been from the applicant, and the amount paid has not covered the cost of advertising for tenders in the local newspapers :

The Minister, in view of the above circumstances, is of the opinion that the provision in the grazing resolutions making it necessary to invite competition for leases is not in the public interest, and he recommends that it be repealed.

The Committee submit the above recommendation for Your Excellency's approval.

JOHN J. McGEE,
37-4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 27th day of February, 1893.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency, by and with the advice of the Queen's Privy Council for Canada, has this day been pleased to approve of the accompanying By-laws of the Pilotage authority for the District of Halifax, Nova Scotia.

JOHN J. McGEE,
Clerk of the Privy Council.

The Halifax Pilot Commissioners in pursuance of the powers conferred upon them by "The Pilotage Act," being chapter 80 of the Revised Statutes of Canada, do hereby make and enact the following by-laws in addition to the twenty-seven by-laws heretofore made and enacted by them, and they do order and direct as follows :

28. Any licensed pilot who has first offered his services to any ship or vessel in the cases and under the circumstances mentioned in section 61 or section 62 of the Pilotage Act, and within the meaning of the said sections or either of them, and whose services have not been accepted shall be deemed to have earned the whole amount actually recovered from the master, owner or other person liable to pay the pilotage dues in said respective sections mentioned, after deducting from each amount actually recovered all expenses incurred in obtaining payment of the same, and such pilot shall be deemed to have earned the said amount less the said deduction. In case two or more pilots have so offered their services at the same time to any such ship, then the pilot who was entitled to have his services accepted shall be deemed to have earned the said amount less the said deduction.

29. In case any vessel mentioned in the twenty-third by-law and employed in any trade therein mentioned is duly spoken upon any inward voyage of such vessel by a pilot who is then entitled to have his services accepted by such vessel, and in case the services of such pilot are not so accepted by the master, owner or other person in charge of such vessel such pilot shall in every such case be deemed to have earned the pilotage dues received or recovered for or in respect of such inward voyage of such vessel.

30. All pilotage dues received for pilotage of any vessel upon an outward voyage when such vessel takes no pilot upon such outward voyage shall be distributed as follows :—

(*a.*) In case the master or other person in charge of such vessel shall have accepted and received the services of a pilot on her inward voyage last preceding such outward voyage such pilot shall be deemed to have earned the dues received or recovered for pilotage dues in respect to such outward voyage, unless he shall have failed or neglected to render his services when required so to do, to such vessel on such outward voyage.

(*b.*) In case any pilot shall have been engaged by the master or other person in charge of such vessel to pilot such vessel to sea on such outward voyage and such master or other person shall afterwards have failed or declined to accept the services of such pilot and in case such pilot shall have been ready and willing and competent to render his services to such vessel on such outward voyage such pilot shall be deemed to have earned the pilotage dues actually received or recovered for or in respect of such outward voyage of such vessel.

(*c.*) All other pilotage dues received or recovered from vessels in respect of outward voyages in cases where such vessels have not taken a pilot on such outward voyages shall be paid into the general fund and shall be applied to the purposes mentioned in the thirty-third by-law.

31. There shall be an officer of the Board to be called Secretary and Treasurer, and it shall be the duty of such officer to keep the books and accounts of the Board, to receive payment of all moneys payable to the Board, to conduct the correspondence under the direction of the Board and to perform generally the duties of a Secretary and Treasurer.

32. All pilotage dues and all fees for licenses of pilots and of pilot boats and for renewals thereof and for bonds of pilots and for renewals thereof, and all other moneys which the Commissioners are entitled to receive including any *fines or penalties* payable or incurred by pilots under the provisions of the Pilotage Act or under the provisions of any by-law made thereunder shall be paid to the Secretary and Treasurer of the Board who shall keep a correct and careful account thereof and of the payment and disbursement thereof. The said fines and penalties shall however be by him forthwith paid into and form a part of the Halifax Pilots Superannuation Fund mentioned in the thirty-third by-law.

33. All the said moneys referred to in the thirtieth and thirty-second by-laws (except the fines and penalties referred to in the thirty-second by-law) shall form a general fund and out of the said general fund there shall be paid in each and every year the following amounts :—

(*a.*) To a fund to be called the Halifax Pilots Superannuation Fund three per cent of the pilotage dues actually received by and paid to the Secretary and Treasurer of the Board during such year.

(*b.*) All such necessary expenses (other than those mentioned in sub-sections (*c.*) and (*d.*) of this by-law) of conducting the pilotage business of the district during each year as shall have been incurred by the Commissioners, including legal expenses, office rent, postage, telegrams, printing and other necessary expenses of the Board.

(*c.*) To the Secretary and Treasurer of the Board the sum of $600 per annum as mentioned in the twenty-sixth by-law.

(*d.*) To each Commissioner any expenses incurred by him not exceeding $100 per annum, and to the Chairman any expenses incurred by him not exceeding $200 per annum as mentioned in the twenty-seventh by-law.

(*e.*) The balance of the moneys received during each such year after payment of the amounts mentioned in subsections *a. b. c.* and *d.* hereof shall be paid and distributed among the said pilots according to the amount of their respective earnings. The said earnings shall be paid to the respective pilots by monthly payments so far as shall be practicable.

34. In case any licensed pilot shall attain the age of sixty-five years and the Commissioners shall be of opinion that such pilot is by reason of age or bodily infirmity or for any other reason incapable of satisfactorily performing the duties of a licensed pilot the said Commissioners may, by a resolution, declare that such pilot shall cease to act as a licensed pilot on and after a date to be fixed in and by said resolution. The Secretary shall communicate the said resolution to such pilot and after the date fixed in and by such resolution the license of such pilot shall cease and determine and become void and such pilot thereafter shall be incapable of acting as a licensed pilot and shall cease to be a licensed pilot, and such pilot shall forthwith deliver up his license to the Commissioners to be cancelled.

35. In case the Commissioners shall be of opinion that there should be an investigation as to whether any licensed pilot who has not attained the age of sixty-five years is incapacitated by mental or bodily infirmity or by habits of drunkenness from performing the duties of a licensed pilot such Commissioners may issue a summons to such pilot briefly stating the grounds of the alleged incapacity of such pilot and calling upon such pilot to appear before the Commissioners at the time and place named in such summons to show cause why an order should not be made declaring such pilot incapacitated from performing the duties of a licensed pilot and revoking and cancelling the license granted to him.

Such summons shall be signed by the Secretary and shall be served upon the pilot therein named at least four days before the time therein mentioned for the holding of such investigation. At the time and place in such summons mentioned the Commissioners shall investigate the said matter summarily and may proceed with such investigation in the absence of such pilot upon due proof before them of the service of such summons upon such pilot.

The Commissioners shall hear any evidence which such pilot may produce before them upon such investigation and they may also hear evidence in support of the allegation that such pilot is incapacitated, *but such last named evidence shall not be necessary to enable the Commissioners to make an order declaring such pilot incapacitated from performing the duties of a licensed pilot and revoking and cancelling his license.* The Commissioners may thereupon make an order revoking and cancelling the license of such pilot and declaring him incapacitated from performing the duties of a licensed pilot and the license of such pilot shall from and after the making of such order cease and determine and shall thereafter be of no further effect, and the said pilot shall thereafter cease to be a licensed pilot and shall be incapable of performing the duties of a licensed pilot and he shall forthwith deliver up his license to the Commissioners to be cancelled.

36. There shall be a fund to be called the Halifax Pilots' Superannuation Fund which shall consist of three per cent of the pilotage dues from time to time earned by the licensed pilots and actually received by the Board. The said Superannuation Fund shall be invested in the name of the Halifax Pilot Commissioners *in the manner prescribed by section* 92 *of the Pilotage Act.* The Commissioners shall also pay into the said fund all moneys now in their hands after first deducting therefrom the necessary expenses and payments mentioned in subsections *a. b. c. d.* and *e.* of the thirty-third by-law incurred or payable by the Commissioners up to this date, and such moneys shall form part of the said Halifax Pilots' Superannuation Fund.

37. In case any pilot while licensed by the Commissioners shall become incapacitated by reason of age or infirmity or accident, and in case the Commissioners shall by reason thereof revoke or cancel or refuse the license of such pilot, there shall be paid to such pilot during the remainder of his natural life, by the Commissioners of the said Superannuation Fund, a sum not less than $50 per annum and not more than $300 per annum in the discretion of the said Commissioners, and subject to such conditions and regulations in each case as to the Commissioners shall seem just. In case such pilot shall die after the Commissioners have so revoked, cancelled or refused to renew his license and in case such pilot shall leave him surviving a widow and a child or a widow only or a child or children only the Commissioners may, in their discretion, continue such payment or the payment of any other amount not exceeding $300 per annum to such widow and child or children or any or either of them for such period of time and subject to such conditions and regulations in each case as by the said Commissioners shall be deemed just. In case any licensed pilot shall die while so licensed and shall leave him surviving a widow and a child or children or a widow only or a child or children only the Commissioners may in their discretion pay to such widow and to such child or children or to any or either of them such sums amounting in all to not less than $50 per annum and to not more than $300 per annum for such number of years and subject to such conditions and regulations in each case as by the said Commissioners shall be deemed just.

38. The twenty-fifth by-law is hereby repealed and the following by-law is substituted therefor :—

"Any licensed pilot who fails to comply with any
" by-law now or heretofore made or hereafter to be
" made by the Halifax Pilot Commissioners or who
" evades or attempts to evade the sense, intent or

NOTICE TO MARINERS.

No. 3 of 1893.

REMOVAL OF MANICOUAGAN LIGHT-SHIP TO WHITE ISLAND REEF.

The light-ship heretofore maintained off Manicouagan Shoal, in the River St. Lawrence, below Quebec, will not be replaced there on the opening of navigation this year, but will be moored on the station heretofore occupied by a gas and bell buoy off the north-east extremity of White Island Reef, in 8 fathoms water.

Lat. N. 47° 58' 45"
Long. W. 69° 37' 35"

The light-ship will be as heretofore painted red, with the words "White Island Reef" in white on each top side, and will show a fixed white light from each mast. The light on the fore mast will be elevated 24 feet, that on the main mast 27 feet, above the water. Each light will be visible ten miles from all points of approach.

A steam fog whistle on the vessel sounds as follows: a blast of 8 seconds' duration, followed by a silent interval of 8 seconds, then another blast of 8 seconds' duration, followed by a silent interval of 2 minutes and 20 seconds.

This gas buoy will not be replaced on this station.

This Notice affects Admiralty charts Nos. 309, 310, 311, 312, 313 and 2,516, and Canadian List of Lights and Fog Signals, Nos. 567 and 604.

NOTICE TO MARINERS.

No. 4 of 1893.

I. CHANGES IN BUOYS MARKING APPROACHES TO HALIFAX HARBOUR.

It is the intention of the Government of Canada to make the following changes in the buoyage of the approaches to Halifax Harbour, on or about the 1st May, 1893.

(1.) Inner Automatic Whistling Buoy.

In consequence of the discovery of a 32-foot patch near the western extremity of the 10-fathom contour extending from Portuguese Shoal, which would be dangerous to ships of large tonnage in a heavy sea, the inner automatic whistling buoy will be moved about 3 cables N. W. by N. ¼ N. from its present location, to a position, in 20 fathoms water, three cables S. W. ½ W. from the 32-foot patch.

Lat.	N.	44°	31'	40"
Long.	W.	63°	30'	2"

The bearings from the new position of the buoy of the following points will be :—

Chebucto Head Lighthouse, S.W. (S. 24° W. true) 1 mile 9 cables.

Sandwich Point, N. ½ W. (N. 26° W. true) 3 miles 8 cables.

Devil Island West Lighthouse, N.E. ¾ E. (N. 32° E. true) 3 miles 5½ cables.

From the buoy a north course will lead to the westward of the 32-foot patch, and to the eastward of the Neverfail, clear of every danger up to Point Pleasant buoy.

(2.) Thrum Cap Buoy.

The present iron can buoy will be replaced by a bell buoy of the Trinity House pattern, painted red, and surmounted by a spherical cage.

(3.) Buoy to be placed on the Neverfail Shoal.

An iron spar buoy, painted in red and black horizontal bands, will be moored 1½ cables south from the 4½-fathom line of the shoal. This buoy may be passed at a distance of one cable, on either hand.

(4.) Mars Rock Buoy.

The present type of iron can buoy will be continued to mark Mars Rock, but it will be surmounted by a staff carrying a flag or burgee made of sheet iron, to distinguish it more readily, in thick or hazy weather, from other similar buoys in the neighbourhood, and also to render it more conspicuous.

This Notice affects Admiralty charts Nos. 311, 729, 2,320 and 2,410, and Canadian List of Lights and Fog Signals Nos. 197 and 198.

II. EGG ISLAND AUTOMATIC WHISTLING BUOY.

It is the intention of the Government of Canada to establish, about the 1st June next, an automatic whistling buoy off Egg Island, on the southern coast of Nova Scotia, for the purpose of guarding vessels from the dangerous shoals in that locality, and as a leading or fairway buoy for vessels seeking the entrance to Halifax Harbour.

Lat.	N.	44°	35'	20"
Long.	W.	62°	49'	5"

The buoy will be painted red, and moored in 37 fathoms water. From it Egg Island lighthouse will bear N. (N. 21½° W. true), 5 miles ; and Jeddore lighthouse, N.W. ½ N. (N. 61½° W. true), 9¼ miles.

This Notice affects Admiralty charts Nos. 729, 2,439, 2,666 and 2,670, and the substance of it should be inserted in the Canadian List of Lights and Fog Signals, under the No. 211.

RÈGLEMENT concernant les navires faisant usage des docks Louise et autres quais des Commissaires du Havre de Québec, sous leur contrôle direct.

Considérant qu'il est nécessaire et expédient dans l'intérêt du commerce du port de Québec que le maître de havre ou ses représentants assigne à tous les navires faisant usage des docks Louise et des autres quais des Commissaires du Havre de Québec, directement et immédiatement régis par eux, les mouillages et positions que ces navires doivent occuper,—il est par le présent ordonné et statué par les Commissaires du Havre de Québec, comme suit :—

1. Le maître de havre, ou ses représentants, assignera telle position qu'il jugera bon à tous les navires qui se serviront des docks Louise et autres quais des Commissaires du Havre de Québec qui pourront en aucun temps être contrôlés et régis par eux ; et nul capitaine, pilote ou personne en charge d'aucun navire ou vaisseau quelconque ne placera ce navire ou vaisseau le long des susdits quais ou dans aucune partie des dits docks sans l'ordre du maître de havre ou de ses représentants ;

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il a plu à Son Excellence le Gouverneur général, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'approuver le Règlement ci-joint des Commissaires du Havre de Montréal, passé le 11e d'octobre 1892, concernant l'admission des apprentis-pilotes, comme pilotes commissionnés.

JOHN J. McGEE,
Greffier du Conseil privé.

COMMISSAIRES DU HAVRE DE MONTRÉAL,
BUREAU DU SECRÉTAIRE,
MONTRÉAL.

RÈGLEMENT des Commissaires du Havre de Montréal, dûment fait et passé à une assemblée des dits Commissaires du Havre dûment convoquée et tenue à leur salle de réunion à Montréal, dans la province de Québec, le onzième jour d'octobre mil huit cent quatre-vingt-douze.

Présents :—Henry Bulmer, écuyer, président ; L'hon. Edward Murphy ; J. O. Villeneuve, Richard White, C. H. Gould, écuyers ; James McShane, écuyer, maire, et Andrew Allan, écuyer.

Considérant que dans l'exécution des règlements actuellement en vigueur concernant l'examen de personnes qui désirent s'engager comme apprentis-pilotes, il s'est trouvé qu'il était incommode d'exiger la présence du Comité des pilotes, ou d'un assesseur nautique, et que leur présence n'est pas considérée essentielle ;

En conséquence il est résolu, que l'article suivant soit et il est par le présent ajouté aux Règlements des dits Commissaires du Havre déjà en force :—

"ARTICLE 134A.

"Toutes personnes qui agissent aujourd'hui ou qui pourront plus tard agir comme apprentis-pilotes commissionnés, et qui auront passé, ou passeront plus tard un examen satisfaisant devant le bureau d'examinateurs, pourront être admises comme pilotes commissionnés dans le cours ordinaire, nonobstant qu'à l'époque de leur examen pour être admis apprentis-pilotes commissionnés, nul assesseur nautique ni comité de pilotes, n'avaient été avertis d'assister à la réunion du bureau d'examinateurs, ou n'y avaient pas ainsi assisté."

Certifié,

Secrétaire.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture, et avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

After which His Excellency the Governor General was pleased to close the Third Session of the Seventh Parliament of the Dominion with the following

SPEECH :

Honourable Gentlemen of the Senate :

Gentlemen of the House of Commons :

In relieving you from attendance in Parliament for this year, I congratulate you upon the energy and promptitude with which you have disposed of the duties of the session just ended.

The assembly at Paris of the Behring Sea Arbitration Tribunal gives reason to hope that the differences which have existed between the Government of the United States and the Government of the Dominion are approaching a satisfactory adjustment, while the nomination of the Prime Minister of Canada as one of the arbitrators affords a guarantee that the interests of our sealers will be properly though not unduly safeguarded.

The treaty of commerce which was negotiated with France on behalf of Canada has been laid before you together with the correspondence which passed during the negotiations; but owing to the late period of the session at which the treaty was received, and the pendency of communications as to its bearing in respect of most-favoured-nation treatment and the interpretation of certain of its clauses, my Government has thought it advisable to postpone for the present its ratification by Parliament.

I thank you for the ample provisions you have made to protect the country from the possible introduction of cholera, and I trust that the precautions taken will result in guarding against any danger from that source.

The liberal provisions made for the proper representation of Canada at the World's Columbian Exposition will, I doubt not, enable this country to make a

Acte à l'effet de prévenir la fabrication et la vente d'imitation de fromage et de pourvoir à la marque des produits de laiterie.

Acte concernant les commissaires du havre de Montréal.

Acte modifiant l'Acte de la marine marchande au sujet des lignes de charge.

Alors l'Honorable Orateur de la Chambre des Communes a adressé la parole à Son Excellence le Gouverneur Général comme suit :

"Qu'il Plaise à Votre Excellence :

"Les Communes du Canada ont voté certains subsides nécessaires pour permettre au gouvernement de faire face aux dépenses du service public.

"Au nom des Communes, je présente à Votre Excellence le bill suivant :

'Acte pour accorder à Sa Majesté certaines sommes nécessaires pour subvenir à certaines dépenses du service public, pour les exercices expirant respectivement le 30e jour de juin 1893 et le 30e jour de juin 1894, et pour d'autres objets liés au service public.'

que je prie humblement Votre Excellence de sanctionner."

A ce bill la sanction royale a été donnée dans les termes suivants :

"Au nom de Sa Majesté, Son Excellence le Gouverneur Général remercie ses loyaux sujets, accepte leur bienveillance et sanctionne ce bill."

Après quoi il a plu à Son Excellence le Gouverneur Général de clore la Troisième session du septième Parlement de la Puissance par le discours suivant :

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

En vous relevant de votre présence en parlement pour cette année, je vous félicite sur l'énergie et la promptitude avec lesquelles vous avez rempli les devoirs de la session qui vient de finir.

La réunion à Paris du tribunal d'arbitrage de la Mer de Behring donne lieu d'espérer que les différends qui ont existé entre le gouvernement des Etats-Unis et le gouvernement du Dominion sont à la veille d'être réglés d'une manière satisfaisante, tandis que la nomination du premier ministre du Canada comme l'un des arbitres est une garantie que les intérêts de nos chasseurs de phoques seront convenablement sauvegardés, sans toutefois l'être indûment.

Le traité de commerce négocié avec la France dans l'intérêt du Canada vous a été soumis, accompagné de la correspondance qui a eu lieu pendant les négociations ; mais vu la période avancée de la session à laquelle le traité a été reçu, et les communications pendantes relatives à sa portée au sujet du traitement de la nation la plus favorisée, et l'interprétation de certaines de ses clauses, mon gouvernement a jugé bon d'ajourner pour le présent sa ratification par le parlement.

Je vous remercie des amples dispositions que vous avez faites afin de protéger le pays contre l'introduction possible du choléra, et j'ai confiance que les précautions prises auront pour résultat de nous préserver de tout danger de cette source.

Les mesures libérales que vous avez adoptées pour représenter convenablement le Canada, à l'Exposition Colombienne Universelle, permettront au Canada, je worthy exhibit of her resources and progress among the nations of the World.

The various Acts which you have placed upon the Statute-book will contribute to the maintenance of public security and the continued progress of the Country.

Gentlemen of the House of Commons:

I thank you for the liberal provisions you have made for the requirements of the public service.

Honourable Gentlemen of the Senate:

Gentlemen of the House of Commons:

I feel with deep regret that the period of my official connection with the Dominion is drawing towards its close and that in all probability I am taking leave of you for the last time. Lest this should be the case, I desire to avail myself of the present occasion to express my abiding interest in all that concerns the welfare of Canada, and my sincere affection to her people, who have never failed to testify their loyalty to the person and throne of our Sovereign, and to show kindness and consideration to her representative. It will ever be my sincere desire to be of service to the Dominion and I shall continue to cherish feelings of the warmest solicitude for the welfare and prosperity of those amongst whom I have been placed during the past five years.

I pray that the blessing of Almighty God may at all times attend you.

THE SPEAKER of the Senate then said:

Honourable Gentlemen of the Senate, and Gentlemen of the House of Commons:

It is HIS EXCELLENCY THE GOVERNOR GENERAL'S will and pleasure, that this Parliament be prorogued until Thursday, the eleventh day of May next, to be here held, and this Parliament is accordingly prorogued until the eleventh day of May next.

n'en doute pas, de faire une digne exposition de ses ressources et de ses progrès parmi les nations du monde.

Les divers actes que vous avez ajoutés à nos lois contribueront à maintenir la sûreté publique, et le progrès continu du pays.

Messieurs de la Chambre des Communes:

Je vous remercie pour les subsides que vous avez généreusement votés pour le service public.

Honorables Messieurs du Sénat:

Messieurs de la Chambre des Communes:

C'est avec un profond regret que je vois approcher la fin de mes rapports officiels avec le Dominion, et que tout probablement je prends congé de vous pour la dernière fois. Vu cette probabilité je saisis la présente occasion d'exprimer mon profond intérêt dans tout ce qui concerne le bien-être du Canada, et ma sincère affection envers ses habitants qui n'ont jamais cessé de témoigner leur loyauté à la personne et au trône de Notre Souveraine, et ont toujours traité avec bonté et considération son représentant. Mon ardent désir sera toujours d'être utile au Dominion, et je continuerai de nourrir des sentiments de la plus tendre sollicitude pour le bien-être et la prospérité de ceux parmi qui j'ai vécu pendant les derniers cinq ans.

Je prie que la bénédiction du Dieu Tout-puissant vous soit toujours acquise.

L'ORATEUR du Sénat alors dit:

Honorables Messieurs du Sénat et Messieurs de la Chambre des Communes,

C'est le plaisir de SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL, que ce parlement soit prorogé jusqu'à jeudi, le onzième jour de mai prochain, pour être tenu en ce lieu, et ce parlement est, en conséquence, prorogé jusqu'à jeudi, le onzième jour de mai prochain.

REPORT of a Committee of the Honourable the Privy Council, approved by His Excellency the Governor General in Council, on the 6th February, 1893.

ON a report dated 27th January, 1893, from the Minister of the Interior, stating that by an Order in Council dated the 7th of April, 1887, leases of grazing lands in Manitoba and the North West Territories can only be acquired by public competition, except in the case of an actual settler to whom may be leased without competition four sections of land contiguous to his homestead ;

The Minister further states that this was amended by another Order of Your Excellency dated 17th of September, 1889, by changing the word "contiguous" to "in the vicinity," and by extending the provision referred to in the preceding paragraph to Dominion Lands in the Province of British Columbia ;

The Minister further states that at the time the provision in question was made a great demand for large ranches existed, and it was thought to be in the public interest that such a provision should be enacted, and that within the last two or three years very few applications have been received at the Department of the Interior for large tracts of land for grazing, but nearly all the applications have been from settlers and others for areas varying from 640 acres to four or five thousand acres, and unless the tract applied for was in the vicinity of the land upon which the applicant was living, it was necessary, under the provision of the regulation above quoted, to invite public competition therefor, and that in all cases where competition has been invited the only tender received has been from the applicant, and the amount paid has not covered the cost of advertising for tenders in the local newspapers :

The Minister, in view of the above circumstances, is of the opinion that the provision in the grazing resolutions making it necessary to invite competition for leases is not in the public interest, and he recommends that it be repealed.

The Committee submit the above recommendation for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

28. Any licensed pilot who has first offered his services to any ship or vessel in the cases and under the circumstances mentioned in section 61 or section 62 of the Pilotage Act, and within the meaning of the said sections or either of them, and whose services have not been accepted shall be deemed to have earned the whole amount actually recovered from the master, owner or other person liable to pay the pilotage dues in said respective sections mentioned, after deducting from each amount actually recovered all expenses incurred in obtaining payment of the same, and such pilot shall be deemed to have earned the said amount less the said deduction. In case two or more pilots have so offered their services at the same time to any such ship, then the pilot who was entitled to have his services accepted shall be deemed to have earned the said amount less the said deduction.

29. In case any vessel mentioned in the twenty-third by-law and employed in any trade therein

mentioned is duly spoken upon any inward voyage of such vessel by a pilot who is then entitled to have his services accepted by such vessel, and in case the services of such pilot are not so accepted by the master, owner or other person in charge of such vessel such pilot shall in every such case be deemed to have earned the pilotage dues received or recovered for or in respect of such inward voyage of such vessel.

30. All pilotage dues received for pilotage of any vessel upon an outward voyage when such vessel takes no pilot upon such outward voyage shall be distributed as follows:—

(*a.*) In case the master or other person in charge of such vessel shall have accepted and received the services of a pilot on her inward voyage last preceding such outward voyage such pilot shall be deemed to have earned the dues received or recovered for pilotage dues in respect to such outward voyage, unless he shall have failed or neglected to render his services when required so to do, to such vessel on such outward voyage.

(*b.*) In case any pilot shall have been engaged by the master or other person in charge of such vessel to pilot such vessel to sea on such outward voyage and such master or other person shall afterwards have failed or declined to accept the services of such pilot and in case such pilot shall have been ready and willing and competent to render his services to such vessel on such outward voyage such pilot shall be deemed to have earned the pilotage dues actually received or recovered for or in respect of such outward voyage of such vessel.

(*c.*) All other pilotage dues received or recovered from vessels in respect of outward voyages in cases where such vessels have not taken a pilot on such outward voyages shall be paid into the general fund and shall be applied to the purposes mentioned in the thirty-third by-law.

31. There shall be an officer of the Board to be called Secretary and Treasurer, and it shall be the duty of such officer to keep the books and accounts of the Board, to receive payment of all moneys payable to the Board, to conduct the correspondence under the direction of the Board and to perform generally the duties of a Secretary and Treasurer.

32. All pilotage dues and all fees for licenses of pilots and of pilot boats and for renewals thereof and for bonds of pilots and for renewals thereof, and all other moneys which the Commissioners are entitled to receive including any *fines or penalties* payable or incurred by pilots under the provisions of the Pilotage Act or under the provisions of any by-law made thereunder shall be paid to the Secretary and Treasurer of the Board who shall keep a correct and careful account thereof and of the payment and disbursement thereof. The said fines and penalties shall however be by him forthwith paid into and form a part of the Halifax Pilots Superannuation Fund mentioned in the thirty-third by-law.

33. All the said moneys referred to in the thirtieth and thirty-second by-laws (except the fines and penalties referred to in the thirty-second by-law) shall form a general fund and out of the said general fund there shall be paid in each and every year the following amounts:—

(*a.*) To a fund to be called the Halifax Pilots Superannuation Fund three per cent of the pilotage dues actually received by and paid to the Secretary and Treasurer of the Board during such year.

(*b.*) All such necessary expenses (other than those mentioned in sub-sections (*c.*) and (*d.*) of this by-law) of conducting the pilotage business of the district during each year as shall have been incurred by the Commissioners, including legal expenses, office rent, postage, telegrams, printing and other necessary expenses of the Board.

(*c.*) To the Secretary and Treasurer of the Board the sum of $600 per annum as mentioned in the twenty-sixth by-law.

(*d.*) To each Commissioner any expenses incurred by him not exceeding $100 per annum, and to the Chairman any expenses incurred by him not exceeding $200 per annum as mentioned in the twenty-seventh by-law.

(*e.*) The balance of the moneys received during each such year after payment of the amounts mentioned in subsections *a. b. c.* and *d.* hereof shall be paid and distributed among the said pilots according to the amount of their respective earnings. The said earnings shall be paid to the respective pilots by monthly payments so far as shall be practicable.

34. In case any licensed pilot shall attain the age of sixty-five years and the Commissioners shall be of opinion that such pilot is by reason of age or bodily infirmity or for any other reason incapable of satisfactorily performing the duties of a licensed pilot the said Commissioners may, by a resolution, declare that such pilot shall cease to act as a licensed pilot on and after a date to be fixed in and by said resolution. The Secretary shall communicate the said resolution to such pilot and after the date fixed in and by such resolution the license of such pilot shall cease and determine and become void and such pilot thereafter shall be incapable of acting as a licensed pilot and shall cease to be a licensed pilot, and such pilot shall forthwith deliver up his license to the Commissioners to be cancelled.

35. In case the Commissioners shall be of opinion that there should be an investigation as to whether any licensed pilot who has not attained the age of sixty-five years is incapacitated by mental or bodily infirmity or by habits of drunkenness from performing the duties of a licensed pilot such Commissioners may issue a summons to such pilot briefly stating the grounds of the alleged incapacity of such pilot and calling upon such pilot to appear before the Commissioners at the time and place named in such summons to show cause why an order should not be made declaring such pilot incapacitated from performing the duties of a licensed pilot and revoking and cancelling the license granted to him.

Such summons shall be signed by the Secretary and shall be served upon the pilot therein named at least four days before the time therein mentioned for the holding of such investigation. At the time and place in such summons mentioned the Commissioners shall investigate the said matter summarily and may proceed with such investigation in the absence of such pilot upon due proof before them of the service of such summons upon such pilot.

The Commissioners shall hear any evidence which such pilot may produce before them upon such investigation and they may also hear evidence in support of the allegation that such pilot is incapacitated, *but such last named evidence shall not be necessary to enable the Commissioners to make an order declaring such pilot incapacitated from performing the duties of a licensed pilot and revoking and cancelling his license.* The Commissioners may thereupon make an order revoking and cancelling the license of such pilot and declaring him incapacitated from performing the duties of a licensed pilot and the license of such pilot shall from and after the making of such order cease and determine and shall thereafter be of no further effect, and the said pilot shall thereafter cease to be a licensed pilot and shall be incapable of performing the duties of a licensed pilot and he shall forthwith deliver up his license to the Commissioners to be cancelled.

36. There shall be a fund to be called the Halifax Pilots' Superannuation Fund which shall consist of three per cent of the pilotage dues from time to time earned by the licensed pilots and actually received by the Board. The said Superannuation Fund shall be invested in the name of the Halifax Pilot Commissioners *in the manner prescribed by section* 92 *of the Pilotage Act.* The Commissioners shall also pay into the said fund all moneys now in their hands after first deducting therefrom the necessary expenses and payments mentioned in subsections *a. b. c. d.* and *e.* of the thirty-third by-law incurred or payable by the Commissioners up to this date, and such moneys shall form part of the said Halifax Pilots' Superannuation Fund.

37. In case any pilot while licensed by the Commissioners shall become incapacitated by reason of age or infirmity or accident, and in case the Commissioners shall by reason thereof revoke or cancel or refuse the license of such pilot, there shall be paid to such pilot during the remainder of his natural life, by the Commissioners of the said Superannuation Fund, a sum

not less than $50 per annum and not more than $300 per annum in the discretion of the said Commissioners, and subject to such conditions and regulations in each case as to the Commissioners shall seem just. In case such pilot shall die after the Commissioners have so revoked, cancelled or refused to renew his license and in case such pilot shall leave him surviving a widow and a child or a widow only or a child or children only the Commissioners may, in their discretion, continue such payment or the payment of any other amount not exceeding $300 per annum to such widow and child or children or any or either of them for such period of time and subject to such conditions and regulations in each case as by the said Commissioners shall be deemed just. In case any licensed pilot shall die while so licensed and shall leave him surviving a widow and a child or children or a widow only or a child or children only the Commissioners may in their discretion pay to such widow and to such child or children or to any or either of them such sums amounting in all to not less than $50 per annum and to not more than $300 per annum for such number of years and subject to such conditions and regulations in each case as by the said Commissioners shall be deemed just.

38. The twenty-fifth by-law is hereby repealed and the following by-law is substituted therefor :—

"Any licensed pilot who fails to comply with any " by-law now or heretofore made or hereafter to be " made by the Halifax Pilot Commissioners or who " evades or attempts to evade the sense, intent or " meaning of any such by-law shall, for every such " offence, incur a penalty not exceeding forty dollars, " and in case of a continuing breach of any such by- " law shall be liable to have his license withdrawn or " suspended in the discretion of the Commissioners."

39. The expression "Commissioners" or "Board" in any by-laws made or to be made by the Halifax Pilot Commissioners shall mean the Halifax Pilot Commissioners. 37–4

GOVERNMENT NOTICES.

NOTICE TO MARINERS.

No. 4 of 1893.

I. CHANGES IN BUOYS MARKING APPROACHES TO HALIFAX HARBOUR.

It is the intention of the Government of Canada to make the following changes in the buoyage of the approaches to Halifax Harbour, on or about the 1st May, 1893.

(1.) INNER AUTOMATIC WHISTLING BUOY.

In consequence of the discovery of a 32-foot patch near the western extremity of the 10-fathom contour extending from Portuguese Shoal, which would be dangerous to ships of large tonnage in a heavy sea, the inner automatic whistling buoy will be moved about 3 cables N. W. by N. ½ N. from its present location, to a position, in 20 fathoms water, three cables S. W. ½ W. from the 32-foot patch.

Lat. N. 44° 31' 40"
Long. W. 63° 30' 2"

The bearings from the new position of the buoy o the following points will be :—

Chebucto Head Lighthouse, S.W. (S. 24° W. true) 1 mile 9 cables.

Sandwich Point, N. ½ W. (N. 26° W. true) 3 miles 8 cables.

Devil Island West Lighthouse, N.E. ¾ E. (N. 32° E. true) 3 miles 5½ cables.

From the buoy a north course will lead to the westward of the 32-foot patch, and to the eastward of the Neverfail, clear of every danger up to Point Pleasant buoy.

(2.) THRUM CAP BUOY.

The present iron can buoy will be replaced by a bell buoy of the Trinity House pattern, painted red, and surmounted by a spherical cage.

(3.) BUOY TO BE PLACED ON THE NEVERFAIL SHOAL.

An iron spar buoy, painted in red and black horizontal bands, will be moored 1½ cables south from the 4½-fathom line of the shoal. This buoy may be passed at a distance of one cable, on either hand.

(4.) MARS ROCK BUOY.

The present type of iron can buoy will be continued to mark Mars Rock, but it will be surmounted by a staff carrying a flag or burgee made of sheet iron, to distinguish it more readily, in thick or hazy weather, from other similar buoys in the neighbourhood, and also to render it more conspicuous.

This Notice affects Admiralty charts Nos. 311, 729, 2,320 and 2,410, and Canadian List of Lights and Fog Signals Nos. 197 and 198.

II. EGG ISLAND AUTOMATIC WHISTLING BUOY.

It is the intention of the Government of Canada to establish, about the 1st June next, an automatic whistling buoy off Egg Island, on the southern coast of Nova Scotia, for the purpose of guarding vessels from the dangerous shoals in that locality, and as a leading or fairway buoy for vessels seeking the entrance to Halifax Harbour.

Lat. N. 44° 35' 20"
Long. W. 62° 49' 5"

The buoy will be painted red, and moored in 37 fathoms water. From it Egg Island lighthouse will bear N. (N. 21½° W. true), 5 miles; and Jeddore lighthouse, N.W. ½ N. (N. 61½° W. true), 9¼ miles.

This Notice affects Admiralty charts Nos. 729, 2,439, 2,666 and 2,670, and the substance of it should be inserted in the Canadian List of Lights and Fog Signals, under the No. 211.

WM. SMITH,
Deputy Minister of Marine and Fisheries.

Department of Marine and Fisheries,
Ottawa, Canada, 8th March, 1893.

☞ All bearings are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested, are earnestly requested to send information of dangers, changes in aids to navigation, notice of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters, to the Deputy Minister of Marine, Ottawa, Canada. 39-3

NOTICE TO MARINERS.

No. 3 of 1893.

REMOVAL OF MANICOUAGAN LIGHT-SHIP TO WHITE ISLAND REEF.

The light-ship heretofore maintained off Manicouagan Shoal, in the River St. Lawrence, below Quebec, will not be replaced there on the opening of navigation this year, but will be moored on the station heretofore occupied by a gas and bell buoy off the north-east extremity of White Island Reef, in 8 fathoms water.

Lat. N. 47° 58' 45"
Long. W. 69° 37' 35"

The light-ship will be as heretofore painted red, with the words "White Island Reef" in white on each top side, and will show a fixed white light from each mast. The light on the fore mast will be elevated 24 feet, that on the main mast 27 feet, above the water. Each light will be visible ten miles from all points of approach.

A steam fog whistle on the vessel sounds as follows : a blast of 8 seconds' duration, followed by a silent interval of 8 seconds, then another blast of 8 seconds' duration, followed by a silent interval of 2 minutes and 20 seconds.

This gas buoy will not be replaced on this station.

This Notice affects Admiralty charts Nos. 309, 310, 311, 312, 313 and 2,516, and Canadian List of Lights and Fog Signals, Nos. 567 and 604.

Attendu que grâce à l'absence complète de communications pour le transport du poisson après la clôture de la navigation, sur cette partie de la côte Nord et de la côte du Labrador, qui s'étend de Bersimis à Natashquan, les habitants de cette partie du comté de Saguenay sont privés des avantages et profits résultant de la pêche de l'éperlan,—

Jeudi, le 24e jour de novembre 1892.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Il a plu à Son Excellence le Gouverneur général, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'approuver le Règlement ci-joint des Commissaires du Havre de Montréal, passé le 11e d'octobre 1892, concernant l'admission des apprentis-pilotes, comme pilotes commissionnés.

JOHN J. McGEE,
Greffier du Conseil privé.

Commissaires du Havre de Montréal,
Bureau du Secrétaire,
Montréal.

Règlement des Commissaires du Havre de Montréal, dûment fait et passé à une assemblée des dits Commissaires du Havre dûment convoquée et tenue à leur salle de réunion à Montréal, dans la province de Québec, le onzième jour d'octobre mil huit cent quatre-vingt-douze

Présents :—Henry Bulmer, écuyer, président ; L'hon. Edward Murphy ; J. O. Villeneuve, Richard White, C. H. Gould, écuyers ; James McShane, écuyer, maire, et Andrew Allan, écuyer.

Considérant que dans l'exécution des règlements actuellement en vigueur concernant l'examen de personnes qui désirent s'engager comme apprentis-pilotes, il s'est trouvé qu'il était incommode d'exiger la présence du Comité des pilotes, ou d'un assesseur nautique, et que leur présence n'est pas considérée essentielle ;

En conséquence il est résolu, que l'article suivant soit et il est par le présent ajouté aux Règlements des dits Commissaires du Havre déjà en force :—

" Article 134a.

"Toutes personnes qui agissent aujourd'hui ou qui pourront plus tard agir comme apprentis-pilotes commissionnés, et qui auront passé, ou passeront plus tard un examen satisfaisant devant le bureau d'examinateurs, pourront être admises comme pilotes commissionnés dans le cours ordinaire, nonobstant qu'à l'époque de leur examen pour être admis apprentis-pilotes commissionnés, nul assesseur nautique ni comité de pilotes, n'avaient été avertis d'assister à la réunion du bureau d'examinateurs, ou n'y avaient pas ainsi assisté."

Certifié,
ALEXANDER ROBERTSON,
Secrétaire.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture, et avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

Greffier du Sénat.

After which His Excellency the Governor General was pleased to close the THIRD SESSION of the SEVENTH PARLIAMENT of the DOMINION with the following

SPEECH :

Honourable Gentlemen of the Senate:

Gentlemen of the House of Commons:

In relieving you from attendance in Parliament for this year, I congratulate you upon the energy and promptitude with which you have disposed of the duties of the session just ended.

The assembly at Paris of the Behring Sea Arbitration Tribunal gives reason to hope that the differences which have existed between the Government of the United States and the Government of the Dominion are approaching a satisfactory adjustment, while the nomination of the Prime Minister of Canada as one of the arbitrators affords a guarantee that the interests of our sealers will be properly though not unduly safeguarded.

The treaty of commerce which was negotiated with France on behalf of Canada has been laid before you together with the correspondence which passed during the negotiations; but owing to the late period of the session at which the treaty was received, and the pendency of communications as to its bearing in respect of most-favoured-nation treatment and the interpretation of certain of its clauses, my Government has thought it advisable to postpone for the present its ratification by Parliament.

I thank you for the ample provisions you have made to protect the country from the possible introduction of cholera, and I trust that the precautions taken will result in guarding against any danger from that source.

The liberal provisions made for the proper representation of Canada at the World's Columbian Exposition will, I doubt not, enable this country to make a worthy exhibit of her resources and progress among the nations of the World.

The various Acts which you have placed upon the Statute-book will contribute to the maintenance of public security and the continued progress of the Country.

Gentlemen of the House of Commons:

I thank you for the liberal provisions you have made for the requirements of the public service.

Honourable Gentlemen of the Senate:

Gentlemen of the House of Commons:

I feel with deep regret that the period of my official connection with the Dominion is drawing towards its close and that in all probability I am taking leave of you for the last time. Lest this should be the case, I desire to avail myself of the present occasion to express my abiding interest in all that concerns the welfare of Canada, and my sincere affection to her people, who have never failed to testify their loyalty to the person and throne of our Sovereign, and to show kindness and consideration to her representative. It will ever be my sincere desire to be of service to the Dominion and I shall continue to cherish feelings of the warmest solicitude for the welfare and prosperity of those amongst whom I have been placed during the past five years.

I pray that the blessing of Almighty God may at all times attend you.

THE SPEAKER of the Senate then said:

Honourable Gentlemen of the Senate, and Gentlemen of the House of Commons:

It is HIS EXCELLENCY THE GOVERNOR GENERAL'S will and pleasure, that this Parliament be prorogued until Thursday, the eleventh day of May next, to be here held, and this Parliament is accordingly prorogued until the eleventh day of May next.

ORDERS IN COUNCIL.

Monday, the 13th day of March, 1893.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a report dated 6th of March, 1893, from the Acting Minister of Marine and Fisheries, stating that application has been received in writing from the "Ottawa Transportation Company" (Limited), for permission to change the names of the following tow barges, viz:—

"Zaida D. Eddy"	to	"Davidson."
"John McLaurin"	to	"Neville."
"McKenzie"	to	"Clark."
"D. Richard"	to	"Wood."
"Arthur E. Sixsmith"	to	"Grant."

The Minister further states that it appears that the same company have tow barges bearing the following names, viz:—"E. C. Eddy," "James McLaren," "R. S. McKenzie," "C. Richard" and "W. H. Sixsmith," and that the similarity in the names of the last and first mentioned vessels causes much inconvenience and confusion, in reports, accounts and Custom-house entries.

The Minister therefore recommends that the names of the five vessels first mentioned be changed as requested, under the provisions of the 21st section of chapter 72 of the Revised Statutes, and that notice of such change be published in the *Canada Gazette.*

The Committee submit the same for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 13th day of March, 1893.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report, dated 27th February, 1893, from the Minister of the Interior, stating that the Municipality of Glenwood, in the Province of Manitoba, is desirous of closing up certain original road allowances in Township 7, Range 21, west, and opening out others in lieu thereof, under the provisions of section 6, chapter 49, Revised Statutes of Canada,—

The municipality represents that by reason of the sinuosities of the Souris River and other natural obstructions, travel along the road allowance between Sections 33 and 34 and Sections 27 and 28 in said Township 7, is not feasible, and it seeks permission to close these road allowances and to open out others in lieu thereof. The title to the lands through which the roads to be opened out run, has passed from the Crown, and the Municipality has obtained the assent of the owners to the opening of these roads, the said owners to receive in compensation portions of the original road allowances which it is proposed to close up.

The Minister further submits a certified copy of a By-law No. 59, passed by the Municipality authorizing the closing up and opening out of these respective roads.

The Minister, therefore, recommends that upon the receipt of a request from the Lieutenant-Governor of Manitoba to that effect, the authority of Your Excellency in Council be given for the closing up of these portions of the original road allowances between Sections 33 and 34 and 27 and 28, in Township 7, Range 21, west of 1st Meridian, and the opening up in lieu thereof of other roads, under the provisions of section 6, chapter 49, Revised Statutes of Canada. Also for the conveyance to the parties interested of certain portions of the original road allowances closed up, as provided for in By-law No. 59, of the Municipality of Glenwood.

The Committee submit the same for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

NOTICE TO MARINERS.

No. 4 of 1893.

I. CHANGES IN BUOYS MARKING APPROACHES TO HALIFAX HARBOUR.

It is the intention of the Government of Canada to make the following changes in the buoyage of the approaches to Halifax Harbour, on or about the 1st May, 1893.

(1.) Inner Automatic Whistling Buoy.

In consequence of the discovery of a 32-foot patch near the western extremity of the 10-fathom contour extending from Portuguese Shoal, which would be dangerous to ships of large tonnage in a heavy sea, the inner automatic whistling buoy will be moved about 3 cables N. W. by N. ¼ N. from its present location, to a position, in 20 fathoms water, three cables S. W. ½ W. from the 32-foot patch.

Lat.	N.	44°	31'	40"
Long.	W.	63°	30'	2"

The bearings from the new position of the buoy of the following points will be:—

Chebucto Head Lighthouse, S.W. (S. 24° W. true) 1 mile 9 cables.

Sandwich Point, N. ½ W. (N. 26° W. true) 3 miles 8 cables.

Devil Island West Lighthouse, N.E. ¾ E. (N. 32° E. true) 3 miles 5½ cables.

From the buoy a north course will lead to the westward of the 32-foot patch, and to the eastward of the Neverfail, clear of every danger up to Point Pleasant buoy.

(2.) Thrum Cap Buoy.

The present iron can buoy will be replaced by a bell buoy of the Trinity House pattern, painted red, and surmounted by a spherical cage.

(3.) Buoy to be placed on the Neverfail Shoal.

An iron spar buoy, painted in red and black horizontal bands, will be moored 1½ cables south from the 4½-fathom line of the shoal. This buoy may be passed at a distance of one cable, on either hand.

(4.) Mars Rock Buoy.

The present type of iron can buoy will be continued to mark Mars Rock, but it will be surmounted by a staff carrying a flag or burgee made of sheet iron, to distinguish it more readily, in thick or hazy weather, from other similar buoys in the neighbourhood, and also to render it more conspicuous.

This Notice affects Admiralty charts Nos. 311, 729, 2,320 and 2,410, and Canadian List of Lights and Fog Signals Nos. 197 and 198.

II. EGG ISLAND AUTOMATIC WHISTLING BUOY.

It is the intention of the Government of Canada to establish, about the 1st June next, an automatic whistling buoy off Egg Island, on the southern coast of Nova Scotia, for the purpose of guarding vessels from the dangerous shoals in that locality, and as a leading or fairway buoy for vessels seeking the entrance to Halifax Harbour.

Lat.	N.	44°	35'	20"
Long.	W.	62°	49'	5"

The buoy will be painted red, and moored in 37 fathoms water. From it Egg Island lighthouse will bear N. (N. 21½° W. true), 5 miles; and Jeddore lighthouse, N.W. ½ N. (N. 61½° W. true), 9¼ miles.

This Notice affects Admiralty charts Nos. 729, 2,439, 2,666 and 2,670, and the substance of it should be inserted in the Canadian List of Lights and Fog Signals, under the No. 211.

WM. SMITH,
Deputy Minister of Marine and Fisheries.

Department of Marine and Fisheries,
Ottawa, Canada, 8th March, 1893.

☞ All bearings are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested, are earnestly requested to send information of dangers, changes in aids to navigation, notice of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters, to the Deputy Minister of Marine, Ottawa, Canada. 39–3

NOTICE TO MARINERS.

No. 3 of 1893.

REMOVAL OF MANICOUAGAN LIGHT-SHIP TO WHITE ISLAND REEF.

The light-ship heretofore maintained off Manicouagan Shoal, in the River St. Lawrence, below Quebec, will not be replaced there on the opening of navigation this year, but will be moored on the station heretofore occupied by a gas and bell buoy off the north-east extremity of White Island Reef, in 8 fathoms water.

Lat.	N.	47°	58'	45"
Long.	W.	69°	37'	35"

The light-ship will be as heretofore painted red, with the words "White Island Reef" in white on each top side, and will show a fixed white light from each mast. The light on the fore mast will be elevated 24 feet, that on the main mast 27 feet, above the water. Each light will be visible ten miles from all points of approach.

A steam fog whistle on the vessel sounds as follows: a blast of 8 seconds' duration, followed by a silent interval of 8 seconds, then another blast of 8 seconds' duration, followed by a silent interval of 2 minutes and 20 seconds.

This gas buoy will not be replaced on this station.

This Notice affects Admiralty charts Nos. 309, 310, 311, 312, 313 and 2,516, and Canadian List of Lights and Fog Signals, Nos. 567 and 604.

Alors l'Honorable Orateur de la Chambre des Communes a adressé la parole à Son Excellence le Gouverneur Général comme suit :

"QU'IL PLAISE À VOTRE EXCELLENCE :

" Les Communes du Canada ont voté certains subsides nécessaires pour permettre au gouvernement de faire face aux dépenses du service public.

" Au nom des Communes, je présente à Votre Excellence le bill suivant :

'Acte pour accorder à Sa Majesté certaines sommes nécessaires pour subvenir à certaines dépenses du service public, pour les exercices expirant respectivement le 30e jour de juin 1893 et le 30e jour de juin 1894, et pour d'autres objets liés au service public.'

que je prie humblement Votre Excellence de sanctionner."

A ce bill la sanction royale a été donnée dans les termes suivants :

"Au nom de Sa Majesté, Son Excellence le Gouverneur Général remercie ses loyaux sujets, accepte leur bienveillance et sanctionne ce bill."

Après quoi il a plu à Son Excellence le Gouverneur Général de clore la TROISIÈME SESSION DU SEPTIÈME PARLEMENT de la PUISSANCE par le discours suivant :

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

En vous relevant de votre présence en parlement pour cette année, je vous félicite sur l'énergie et la promptitude avec lesquelles vous avez rempli les devoirs de la session qui vient de finir.

La réunion à Paris du tribunal d'arbitrage de la Mer de Behring donne lieu d'espérer que les différends qui ont existé entre le gouvernement des Etats-Unis et le gouvernement du Dominion sont à la veille d'être réglés d'une manière satisfaisante, tandis que la nomination du premier ministre du Canada comme l'un des arbitres est une garantie que les intérêts de nos chasseurs de phoques seront convenablement sauvegardés, sans toutefois l'être indûment.

Le traité de commerce négocié avec la France dans l'intérêt du Canada vous a été soumis, accompagné de la correspondance qui a eu lieu pendant les négociations ; mais vu la période avancée de la session à laquelle le traité a été reçu, et les communications pendantes relatives à sa portée au sujet du traitement de la nation la plus favorisée, et l'interprétation de certaines de ses clauses, mon gouvernement a jugé bon d'ajourner pour le présent sa ratification par le parlement.

Je vous remercie des amples dispositions que vous avez faites afin de protéger le pays contre l'introduction possible du choléra, et j'ai confiance que les précautions prises auront pour résultat de nous préserver de tout danger de cette source.

Les mesures libérales que vous avez adoptées pour représenter convenablement le Canada, à l'Exposition Colombienne Universelle, permettront au Canada, je n'en doute pas, de faire une digne exposition de ses ressources et de ses progrès parmi les nations du monde.

Les divers actes que vous avez ajoutés à nos lois contribueront à maintenir la sûreté publique, et le progrès continu du pays.

Messieurs de la Chambre des Communes:

Je vous remercie pour les subsides que vous avez généreusement votés pour le service public.

Honorables Messieurs du Sénat :

Messieurs de la Chambre des Communes :

C'est avec un profond regret que je vois approcher la fin de mes rapports officiels avec le Dominion, et que tout probablement je prends congé de vous pour la dernière fois. Vu cette probabilité je saisis la présente occasion d'exprimer mon profond intérêt dans tout ce qui concerne le bien-être du Canada, et ma sincère affection envers ses habitants qui n'ont jamais cessé de témoigner leur loyauté à la personne et au trône de Notre Souveraine, et ont toujours traité avec bonté et considération son représentant. Mon ardent désir sera toujours d'être utile au Dominion, et je continuerai de nourrir des sentiments de la plus tendre sollicitude pour le bien-être et la prospérité de ceux parmi qui j'ai vécu pendant les derniers cinq ans.

Je prie que la bénédiction du Dieu Tout-puissant vous soit toujours acquise.

L'ORATEUR du Sénat alors dit :

Honorables Messieurs du Sénat et Messieurs de la Chambre des Communes,

C'est le plaisir de SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL, que ce parlement soit prorogé jusqu'à jeudi, le onzième jour de mai prochain, pour être tenu en ce lieu, et ce parlement est, en conséquence, prorogé jusqu'à jeudi, le onzième jour de mai prochain.

ARRÊTÉS EN CONSEIL.

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 13e jour de mars 1893.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport daté du 27 février 1893, du ministre de l'Intérieur, énonçant que la municipalité de Glenwood, dans la province du Manitoba, désire fermer certaines réserves primitives de chemins dans le township 7, rang 21, ouest, et en ouvrir d'autres pour les remplacer, en vertu des dispositions de l'article 6 du chapitre 49 des Statuts Revisés du Canada,—

La municipalité représente qu'en raison des sinuosités de la rivière Souris et autres obstacles naturels, il est impossible de voyager le long de la réserve de chemin entre les sections 33 et 34 et les sections 27 et 28 dans le dit township 7, et elle demande la permission de fermer ces réserves de chemins et d'en ouvrir d'autres à leur place. La couronne s'est dessaisie du titre des terrains que traverseront ces chemins, et la municipalité a obtenu le consentement des propriétaires d'ouvrir ces chemins, les dits propriétaires devant recevoir en compensation des parties des réserves primitives de chemins qu'il est proposé de fermer.

Le ministre soumet de plus une copie certifiée d'un règlement, No. 59, passé par la municipalité, autorisant la fermeture et l'ouverture de ces chemins respectifs.

En conséquence le ministre recommande que sur réception d'une requête du lieutenant-gouverneur du Manitoba à cet effet, Votre Excellence en conseil donne l'autorisation de fermer ces parties des réserves primitives de chemin entre les sections 33 et 34 et 27 et 28, dans le township 7, rang 21, à l'ouest du 1er méridien, et d'ouvrir d'autres chemins pour les remplacer, en vertu des dispositions de l'article 6 du chapitre 49 des Statuts Revisés du Canada. Aussi pour le transport aux parties intéressées de certaines parties des réserves primitives de chemins fermés, tel que pourvu par le règlement n° 59 de la municipalité de Glenwood.

Le comité soumet cette recommandation à l'approbation de Votre Excellence.

JOHN J. McGEE,
Greffier du Conseil privé.

RÈGLEMENT No. 59.

RÈGLEMENT à l'effet d'ouvrir et établir un nouveau chemin passant en travers et le long de la moitié ouest de la section 34 et la moitié ouest de la section 27, dans le township 7, rang 21, à l'ouest du premier méridien, dans la province du Manitoba, dans les limites de la municipalité de Glenwood, et d'en approuver le plan.

Considérant qu'en conséquence des sinuosités de la rivière Souris et autres obstacles naturels à la réserve de chemin entre les sections 33 et 34 et les sections 27 et 28, township 7, rang 21, ouest, par lesquels le trafic le long de ce chemin est empêché, il a été jugé expédient d'ouvrir un nouveau chemin par, en travers et le long de la moitié ouest de la section 34 et la moitié ouest de la section 27, township 7, rang 21, ouest du premier méridien principal ; et considérant qu'en vertu du statut à cet effet, MM. Poudrier et Brownlee, de la cité de Brandon, A.F., ont été par règlement de ce conseil autorisés à arpenter l'emplacement projeté du dit nouveau chemin.

Et considérant que les dits messieurs Poudrier et Brownlee ont soumis à ce conseil des plans du dit nouveau chemin, et qu'il est nécessaire qu'ils soient approuvés et que le nouveau chemin tel que localisé par les dits plans soit autorisé d'être ouvert et établi comme chemin public.

Et considérant que le propriétaire du terrain à prendre pour tracer le dit nouveau chemin en travers de la section 34 a consenti et convenu de le donner et céder à la municipalité pour les fins susdites en recevant de la municipalité un transport du terrain autrefois occupé par l'ancien chemin.

Et considérant que le propriétaire du terrain a prendre pour tracer le dit nouveau chemin en travers de la section 27 a consenti et convenu d'accepter la somme de douze piastres par acre. En conséquence le reeve et le conseil de la municipalité de Glenwood réunis en conseil, statuent comme suit :—

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

Attendu que grâce à l'absence complète de communications pour le transport du poisson après la clôture de la navigation, sur cette partie de la côte Nord et de la côte du Labrador, qui s'étend de Bersimis à Natashquan, les habitants de cette partie du comté de Saguenay sont privés des avantages et profits résultant de la pêche de l'éperlan,—

Il plaît à Son Excellence, en vertu des dispositions de "l'Acte des Pêcheries," chapitre 95 des Statuts Revisés, et par et de l'avis du Conseil privé de la Reine pour le Canada, d'autoriser l'usage des rets pour la pêche de l'éperlan à partir du premier octobre jusqu'à la clôture de la navigation de chaque année, en vertu de permis spéciaux du Ministre de la Marine et des Pêcheries, sur cette partie de la côte du comté de Saguenay qui s'étend de Bersimis à Natashquan, et la dite pêche est permise en conséquence.

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture, et avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a report dated 6th of March, 1893, from the Acting Minister of Marine and Fisheries, stating that application has been received in writing from the "Ottawa Transportation Company" (Limited), for permission to change the names of the following tow barges, viz :—

"Zaida D. Eddy"	to	"Davidson."
"John McLaurin"	to	"Neville."
"McKenzie"	to	"Clark."

The Minister further states that it appears that the same company have tow barges bearing the following names, viz :—"E. C. Eddy," "James McLaren," "R. S. McKenzie," "C. Richard" and "W. H. The Minister therefore recommends that the names of the five vessels first mentioned be changed as requested, under the provisions of the 21st section of chapter 72 of the Revised Statutes, and that notice of such change be published in the *Canada Gazette.*

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 13th day of March, 1893.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report, dated 27th February, 1893, from the Minister of the Interior, stating that the Municipality of Glenwood, in the Province of Manitoba, is desirous of closing up certain original road allowances in Township 7, Range 21, west, and opening out others in lieu thereof, under the provisions of section 6, chapter 49, Revised Statutes of Canada,—

The Municipality represents that by reason of the sinuosities of the Souris River and other natural obstructions, travel along the road allowance between Sections 33 and 34 and Sections 27 and 28 in said Township 7, is not feasible, and it seeks permission to close these road allowances and to open out others in lieu thereof. The title to the lands through which the roads to be opened out run, has passed from the Crown, and the Municipality has obtained the assent of the owners to the opening of these roads, the said owners to receive in compensation portions of the original road allowances which it is proposed to close up.

The Minister further submits a certified copy of a By-law No. 59, passed by the Municipality authorizing the closing up and opening out of these respective roads.

The Minister, therefore, recommends that upon the receipt of a request from the Lieutenant-Governor of Manitoba to that effect, the authority of Your Excellency in Council be given for the closing up of these portions of the original road allowances between Sections 33 and 34 and 27 and 28, in Township 7, Range 21, west of 1st Meridian, and the opening up in lieu thereof of other roads, under the provisions of section 6, chapter 49, Revised Statutes of Canada. Also for the conveyance to the parties interested of certain portions of the original road allowances closed up, as provided for in By-law No. 59, of the Municipality of Glenwood.

The Committee submit the same for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

BY-LAW No. 59.

A BY-LAW to open and establish a now road running through, across and along the west half of Section 34 and west half of Section 27, in Township 7, Range 21, west of the first Meridian, in the Province of Manitoba, within the limits of the Municipality of Glenwood, and to approve of the plan thereof.

Whereas owing to the winding of the Souris River and other natural obstructions to the road allowance between Sections 33 and 34 and Sections 27 and 28, Township 7, Range 21, west, whereby traffic along the same is prohibited, it has been deemed expedient to open up a new road through, across and along the west half of Section 34 and west half of Section 27, Township 7, Range 21, west of the first principal Meridian ; and whereas pursuant to the statute in that behalf, Messrs. Poudrier and Brownlee, of the City of Brandon, D.L.S., were by by-law of this Council authorized to survey the proposed location of the said new road.

And whereas the said Messrs. Poudrier and Brownlee have submitted to this Council plans of the said new road, and it is necessary the same should be approved and the new road as located by said plans should be authorized to be opened up and established as a public thoroughfare.

And whereas the owner of the land to be taken for the laying out of the said new road through section 34 has consented and agreed to give and grant the same to the Municipality for the purpose aforesaid by receiving from the Municipality a conveyance of the land formerly occupied by the old road.

HOTEL DU GOUVERNEMENT A OTTAWA.

Lundi, le 13e jour de mars 1893.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport daté du 27 février 1893, du ministre de l'Intérieur, énonçant que la municipalité de Glenwood, dans la province du Manitoba, désire fermer certaines réserves primitives de chemins dans le township 7, rang 21, ouest, et en ouvrir d'autres pour les remplacer, en vertu des dispositions de l'article 6 du chapitre 49 des Statuts Revisés du Canada,—

La municipalité représente qu'en raison des sinuosités de la rivière Souris et autres obstacles naturels, il est impossible de voyager le long de la réserve de chemin entre les sections 33 et 34 et les sections 27 et 28 dans le dit township 7, et elle demande la permission de fermer ces réserves de chemins et d'en ouvrir d'autres à leur place. La couronne s'est dessaisie du titre des terrains que traverseront ces chemins, et la municipalité a obtenu le consentement des propriétaires d'ouvrir ces chemins, les dits propriétaires devant recevoir en compensation des parties des réserves primitives de chemins qu'il est proposé de fermer.

Le ministre soumet de plus une copie certifiée d'un règlement, No. 59, passé par la municipalité, autorisant la fermeture et l'ouverture de ces chemins respectifs.

En conséquence le ministre recommande que sur réception d'une requête du lieutenant-gouverneur du Manitoba à cet effet, Votre Excellence en conseil donne l'autorisation de fermer ces parties des réserves primitives de chemin entre les sections 33 et 34 et 27 et 28, dans le township 7, rang 21, à l'ouest du 1er méridien, et d'ouvrir d'autres chemins pour les remplacer, en vertu des dispositions de l'article 6 du chapitre 49 des Statuts Revisés du Canada. Aussi pour le transport aux parties intéressées de certaines parties des réserves primitives de chemins fermés, tel que pourvu par le règlement n° 59 de la municipalité de Glenwood.

Le comité soumet cette recommandation à l'approbation de Votre Excellence.

JOHN J. McGEE,
Greffier du Conseil privé.

RÈGLEMENT No. 59.

RÈGLEMENT à l'effet d'ouvrir et établir un nouveau chemin passant en travers et le long de la moitié ouest de la section 34 et la moitié ouest de la section 27, dans le township 7, rang 21, à l'ouest du premier méridien, dans la province du Manitoba, dans les limites de la municipalité de Glenwood, et d'en approuver le plan.

Considérant qu'en conséquence des sinuosités de la rivière Souris et autres obstacles naturels à la réserve de chemin entre les sections 33 et 34 et les sections 27 et 28, township 7, rang 21, ouest, par lesquels le trafic le long de ce chemin est empêché, il a été jugé expédient d'ouvrir un nouveau chemin par, en travers et le long de la moitié ouest de la section 34 et la moitié ouest de la section 27, township 7, rang 21, ouest du premier méridien principal; et considérant qu'en vertu du statut à cet effet, MM. Poudrier et Brownlee, de la cité de Brandon, A.F., ont été par règlement de ce conseil autorisés à arpenter l'emplacement projeté du dit nouveau chemin.

Et considérant que les dits messieurs Poudrier et Brownlee ont soumis à ce conseil des plans du dit

nouveau chemin, et qu'il est nécessaire qu'ils soient approuvés et que le nouveau chemin tel que localisé par les dits plans soit autorisé d'être ouvert et établi comme chemin public.

Et considérant que le propriétaire du terrain à prendre pour tracer le dit nouveau chemin en travers de la section 34 a consenti et convenu de le donner et céder à la municipalité pour les fins susdites en recevant de la municipalité un transport du terrain autrefois occupé par l'ancien chemin.

Et considérant que le propriétaire du terrain a prendre pour tracer le dit nouveau chemin en travers de la section 27 a consenti et convenu d'accepter la somme de douze piastres par acre. En conséquence le reeve et le conseil de la municipalité de Glenwood réunis en conseil, statuent comme suit :—

Qu'autorisation est donnée d'ouvrir et établir un chemin public par, en travers et le long de la moitié ouest de la section 34 et la moitié ouest de la section 27, dans le township 7, rang 21, à l'est du premier méridien principal, tel que tracé et indiqué sur les plans préparés par MM. Poudrier et Brownlee, A.F., et y annexés marqués A, lequel dit chemin sera et est décrit comme suit, savoir : Tout et chacun ce certain lopin ou morceau de terrain composé de partie de la moitié ouest de la section 34 dans le township 7, rang 21 à l'ouest du premier méridien principal, et mieux connu et décrit comme suit :—

DEMANDES AU PARLEMENT.

RÈGLES RELATIVES AUX AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique ; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire ou autre ouvrage semblable ; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Un avis doit être inséré dans la *Gazette du Canada*, et et dans un journal du comté, du district ou des comtés unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas, la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage des radeaux et des navires ; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français ; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) une somme de $200, plus le coût de l'impression de l'acte dans les Statuts; et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture, et avant la prise en considération du bill par le comité.

L'honoraire payable sur tout bill privé, ne sera payé que dans la Chambre où il a pris naissance.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle adopté par la Chambre, le 23 juin 1887, dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b*.) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c*.) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b*. Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer

à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré, durant six mois, entre l'expiration de la dernière session parlementaire avant l'avis et la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire, faite en vertu de "l'Acte concernant les serments extra-judiciaires."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

Agreement confirmed.

1. The indenture a copy of which is set out in the schedule to this Act is hereby approved and confirmed and declared to be binding in all respects on the parties thereto; and the said parties may do whatever is required to give effect to the agreements contained in the said indenture.

SCHEDULE.

THIS INDENTURE, made this third day of September, in the year of our Lord one thousand eight hundred and ninety-two:

Between Her Majesty Queen Victoria, represented herein by the Honourable John Graham Haggart, Minister of Railways and Canals of Canada, hereinafter called the "Minister," of the first part; the city of St. John, in the province of New Brunswick, hereinafter called the "City," of the second part; and the Canadian Pacific Railway Company, hereinafter called the "Company," of the third part;

Whereas, by an Act of the Parliament of Canada passed in the session thereof held in the fifty-fourth and fifty-fifth years of Her Majesty's reign, chapter fifteen, and intituled *An Act to authorize the sale of the Carleton, City of St. John, Branch Railroad*, it was in effect enacted that the Government of Canada might enter into an agreement with the said City for the sale to the said City of the Carleton, City of St. John, Branch Railroad, and of such of the appurtenances thereof as are mentioned in such agreement, for and in consideration of the sum of forty thousand dollars, and the said Government was empowered to sell and convey the said railroad and appurtenances to the said City according to such agreement;

And whereas, by certain articles of agreement made the first day of January, in the year of our Lord one thousand eight hundred and eighty-six, between Her Majesty, represented by the Minister, of the first part, and the New Brunswick Railway Company, of the second part, which were to remain in force for seven years from the date thereof, and thence from year to year until terminated by notice in the manner therein provided, running powers over the said branch railroad were granted by Her Majesty to the said New Brunswick Railway Company, which company by the same agreement granted to Her Majesty in respect of the Intercolonial Railway, and agreed to grant to Her Majesty thereafter whenever required to do so in respect of the railway known as the Short Line Railway, running powers over the section of its line between the Saint John Cantilever Bridge and Fairville, a distance of about forty-three one-hundredths of a mile;

And whereas, by a certain indenture bearing date the first day of July, A.D. 1890, and made between the said New Brunswick Railway Company, of the one part, and the Company, of the other part, it was witnessed that the said The New Brunswick Railway Company, for and in consideration of the rents, covenants and conditions in said last mentioned indenture contained, did demise and lease unto the Company the lines of railway in the Province of New Brunswick, operated by the said New Brunswick Railway Company, for a term of nine hundred and ninety years, from the first day of July, then last past, fully to be complete and ended, as by reference to the said indenture will more fully and at large appear;

And whereas, by an indenture bearing date the 20th day of December, A.D. 1890, and made between the City, of the one part, and the Company, of the other part, after reciting as is therein recited, it was witnessed amongst other things in effect that the City did covenant with the Company that on demand, at any time after Her Majesty should transfer the same to the City, the City would execute an indenture of lease by which it would demise and lease unto the Company the said branch railroad and appurtenances for the term of nine hundred and ninety years, at an annual rent of one dollar, and the Company did covenant with the City to enter into the said lease;

And whereas, by the said last mentioned indenture, it was further agreed that such lease should contain certain covenants on the part of the said City, and on the part of the Company, respectively, as upon reference thereto will more fully and at large appear, and also provisoes to the effect that if the Company, its successors or assigns, should fail or neglect continuously and in good faith to operate, work, or use the said branch railroad, and to run trains thereon according to the true intent and meaning of the said last mentioned indenture for a period of twelve months at a time during the continuance of such demise, then and in such case the said lease and the demise therein contained should become void, and the said City might forthwith, without any demand, take possession of the said branch railroad and the wharves, lots and parcels of land and all the property therewith to be demised, with the buildings and improvements thereon, and if the Company should fail or neglect to keep and perform the several covenants, conditions and agreements in the said last mentioned lease to be contained, on its part and behalf to be kept, performed and fulfilled, according to the true intent and meaning of such last mentioned indenture, then and in such case it should be lawful for the City to determine such demise and to re-enter upon and take possession of the said branch railroad, lands, and every part and parcel thereof;

And whereas, in and by the said last mentioned indenture the Company undertook to arrange with the Minister with respect to the said agreement already existing between Her Majesty and the New Brunswick Railway Company relating to the said running powers.

Now this Indenture witnesseth that, in consideration of the premises and of the sum of forty thousand dollars to the Minister paid by the City, the receipt whereof is hereby acknowledged, Her Majesty doth hereby grant, transfer and set over unto the City, its successors and assigns, the said branch railroad, with all tracks, ways, road-beds, ties, sleepers and rails of the said Branch extending from Fairville to the harbour of Saint John at or near Sand Point, and all sidings, tracks and branches thereof, together with the harbour frontage, town lots and all other property, lots and parcels of land, and all rights and powers formerly belonging to and vested in the Carleton, City of Saint John, Branch Railroad Company, with the appurtenances as the same were covered by the transfer to the Dominion Government; to have and to hold the same unto the City, its successors and assigns forever.

And the City, for itself, its successors and assigns, doth hereby covenant with Her Majesty, represented as aforesaid, her successors and assigns, that it will perform, keep and abide by all the covenants, provisoes and conditions in the said indenture of the twentieth day of December, A.D. 1890, expressed and contained, and on its part to be performed, kept and abided by.

And the Company, for itself, its successors and assigns, doth hereby covenant with Her Majesty, represented as aforesaid, that it will perform, keep and abide by all the covenants, provisoes and conditions in the said last mentioned indenture expressed and contained, and on its part to be performed, kept and abided by, and especially that it will perform and carry out the covenants, provisoes and conditions expressed and contained in the said agreement between Her Majesty and the New Brunswick Railway Company and on the part of the latter Company to be performed and carried out.

Provided always, and it is hereby agreed, that these presents are not to have any force or effect until confirmed by the Parliament of Canada.

In witness whereof the parties hereto have executed these presents the day and year first above mentioned.

HER Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts as follows :—

1. This Act shall apply only to the Province of New Brunswick. Application.

Commencement of Act.

2. As soon as a proclamation has been issued by the Lieutenant-Governor of New Brunswick, declaring that an industrial home for boys has been established in the said province and made ready for the confinement of prisoners, the provisions of this Act shall go into force and apply to the said province.

What boys may be sentenced to industrial home.

3. If any boy, who, at the time of his trial, appears to the court to be under the age of sixteen years, is convicted of any offence for which a sentence of imprisonment for a period of three months or longer may be imposed upon an adult convicted of the like offence, and the court before whom such boy is convicted is satisfied that a due regard for the material and moral welfare of the boy manifestly requires that he should be committed to the said industrial home, then such court may sentence the boy to be imprisoned in such home for such term as the court thinks fit, not being greater than the term of imprisonment which could be imposed upon an adult for the like offence; and may further sentence such boy to be kept in such industrial home for an indefinite time after the expiration of such fixed term: Provided, that the whole period of confinement in such industrial home shall not exceed five years from the commencement of his imprisonment.

Term of confinement limited.

In certain cases boys summarily convicted may be sent to industrial home.

4. If any boy, apparently under the age of sixteen years, is convicted of an offence punishable by law on summary conviction, and thereupon is sentenced and committed to prison in any common gaol for a period of fourteen days at least, any judge of the supreme court or of a county court, in any case occurring within the county or counties for which he is such judge, may examine and inquire into the circumstances of such case and conviction, and when he considers that the material and moral welfare of the boy requires such sentence, he may, as an additional sentence for such offence, sentence such boy to be sent, either forthwith, or at the expiration of his imprisonment in such gaol, to such industrial home, to be there detained for the purpose of his industrial and moral education for an indefinite period, not exceeding in the whole five years from the commencement of his imprisonment in the common gaol.

Detention for purposes of reform.

5. Every boy so sentenced shall be detained in such industrial home until the expiration of the fixed term, if any, of his sentence, unless sooner discharged by lawful authority, and thereafter shall, subject to the provisions hereof and to any regulations made, as hereinafter provided, be detained in such industrial home for a period not to exceed five years from the commencement of his imprisonment, for the purpose of his industrial and moral education.

Visiting clergymen.

2. The clergymen of all religious denominations shall at all convenient hours and subject to the rules or regulations governing such industrial house be admitted therein for the purpose of giving spiritual advice and instruction to the inmates therein of their respective denominations.

Commitment of boy to gaol until conveyed to industrial home.

6. A copy of the sentence of the court, duly certified by the proper officer, or the warrant or order of the judge or magistrate by whom any boy is sentenced to confinement in such industrial home, shall be a sufficient authority to the sheriff, constable or other officer who is directed verbally or otherwise so to do, to convey such boy to the common gaol of the county where such sentence is pronounced, and for the gaoler of such gaol to receive such boy and to detain him until there is presented to such gaoler a warrant from the chairman of the governing board of the said industrial home, (which warrant such chairman is hereby authorized to issue under his official seal,) requiring the sheriff or a constable, or other officer, to deliver such boy to the superintendent of the said industrial home.

Conveyance of boy to industrial home; power of constable.

7. The sheriff, constable or other officer, on the receipt by him of the warrant provided for in the last preceding section, may secure and convey such boy through any county or counties in the said province through which he has to pass in order to deliver such boy to the said superintendent; and until he has delivered such boy to the said superintendent, such sheriff. constable or other officer shall, in all counties of the said province through which it may be necessary to convey such boy, have the same authority and power over and with regard to such boy, and to command the assistance of any person in preventing his escape, or in recapturing him in case of an escape, as the sheriff of the county in which he was convicted would himself have in conveying him from one part of that county to another.

If boy is in bad health.

8. If any boy sentenced to confinement in such industrial home is in such a weak state of health that he cannot safely or conveniently be removed to the said industrial home, he may be detained in the common gaol or other place of confinement in which he is, until he is sufficiently recovered to be safely and conveniently removed to the industrial home.

Sick boy not to be discharged.

9. No boy shall be discharged from such industrial home at the termination of his term of confinement, if then labouring under any contagious or infectious illness; but he shall be permitted to remain in such industrial home until he recovers from such disease or illness; provided that any boy remaining in such industrial home for any such cause shall be under the same discipline and control as if his term was still unexpired.

Proviso.

If term expires on Sunday.

10. Whenever the time of any offender's sentence in such industrial home, under any law within the legislative authority of the Parliament of Canada, expires on a Sunday, such offender shall be discharged on the previous Saturday, unless such offender desires to remain until the Monday following.

Apprenticeship of boy.

11. If any respectable or trustworthy person is willing to undertake the charge of any boy committed to the said industrial home, when such boy is over the age of twelve years, as an apprentice to the trade or calling of such person, and such boy is confined to the said industrial home by virtue of a sentence or order pronounced under the authority of any Act of the Parliament of Canada, the superintendent of the said industrial home may, with the consent of the parent or guardian of the boy, and in the name of the governing board of the said industrial home, bind the said boy to such person for any term not to extend, without his consent, beyond a term of five years from the commencement of his imprisonment; and the said governing board shall thereupon order that such boy shall be discharged from the said industrial home on probation, to remain so discharged, provided his conduct during the residue of the term of five years, from the commencement of his imprisonment, continues good, and such boy shall be discharged accordingly; Provided, that any wages reserved in any indenture of apprenticeship made under this section shall be payable to such boy, or to some other person for his benefit.

Discharge on probation in such case.

Regulations as to discharge.

13. The Governor in Council may make such regulations as he considers advisable for the discharge, after the expiration of the fixed time of sentence, of prisoners confined in such industrial home under any Act of the Parliament of Canada, and such discharge may be either absolute or upon probation, subject to such conditions as are imposed under the authority of the said regulations.

Re-commitment for violation of conditions of discharge.

14. PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a report dated 6th of March, 1893, from the Acting Minister of Marine and Fisheries, stating that application has been received in writing from the "Ottawa Transportation Company" (Limited), for permission to change the names of the following tow barges, viz :—

"Zaida D. Eddy"	to "Davidson."
"John McLaurin"	to "Neville."
"McKenzie"	to "Clark."
"D. Richard"	to "Wood."
"Arthur E. Sixsmith"	to "Grant."

The Minister further states that it appears that the same company have tow barges bearing the following names, viz :—"E. C. Eddy," "James McLaren," "R. S. McKenzie," "C. Richard" and "W. H. Sixsmith," and that the similarity in the names of the last and first mentioned vessels causes much inconvenience and confusion, in reports, accounts and Custom-house entries.

The Minister therefore recommends that the names of the five vessels first mentioned be changed as requested, under the provisions of the 21st section of chapter 72 of the Revised Statutes, and that notice of such change be published in the *Canada Gazette*.

The Committee submit the same for Your Excellency's approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 13th day of March, 1893.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

On a Report, dated 27th February, 1893, from the Minister of the Interior, stating that the Municipality of Glenwood, in the Province of Manitoba, is desirous of closing up certain original road allowances in Township 7, Range 21, west, and opening out others in lieu thereof, under the provisions of section 6, chapter 49, Revised Statutes of Canada,—

The Municipality represents that by reason of the sinuosities of the Souris River and other natural obstructions, travel along the road allowance between Sections 33 and 34 and Sections 27 and 28 in said Township 7, is not feasible, and it seeks permission to close these road allowances and to open out others in lieu thereof. The title to the lands through which the roads to be opened out run, has passed from the Crown, and the Municipality has obtained the assent of the owners to the opening of these roads, the said owners to receive in compensation portions of the original road allowances which it is proposed to close up.

The Minister further submits a certified copy of a By-law No. 59, passed by the Municipality authorizing the closing up and opening out of these respective roads.

The Minister, therefore, recommends that upon the receipt of a request from the Lieutenant-Governor of Manitoba to that effect, the authority of Your Excellency in Council be given for the closing up of these portions of the original road allowances between Sections 33 and 34 and 27 and 28, in Township 7, Range 21, west of 1st Meridian, and the opening up in lieu thereof of other roads, under the provisions of section 6, chapter 49, Revised Statutes of Canada. Also for the conveyance to the parties interested of certain portions of the original road allowances closed up, as provided for in By-law No. 59, of the Municipality of Glenwood.

The Committee submit the same for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

Whereas owing to the winding of the Souris River and other natural obstructions to the road allowance between Sections 33 and 34 and Sections 27 and 28, Township 7, Range 21, west, whereby traffic along the same is prohibited, it has been deemed expedient to open up a new road through, across and along the west half of Section 34 and west half of Section 27, Township 7, Range 21, west of the first principal Meridian; and whereas pursuant to the statute in that behalf, Messrs. And whereas the said Messrs. Poudrier and Brownlee have submitted to this Council plans of the said new road, and it is necessary the same should be approved and the new road as located by said plans should be authorized to be opened up and established as a public thoroughfare.
